

When You Buy a Suit of Clothes

or an Overcoat or a Raincoat, you want some guarantee that you are getting value for the price you pay. That's why we sell the clothes with SCHLOSS BROS. label.

Ever stop to think just what a label like this does mean to a buyer?—Why, just this:

First, the maker knows the article IS RIGHT. He's proud of it—willing to be judged by it and stands back of it.

Second, we as merchants recommend the article to you. We expect to be here a long time. You can find us at the same place every day. We want to do business with you every year. Don't you see that we could better afford to GIVE you a new garment than to have you disappointed with anything we recommended.

Just think these things over and YOU will see how it pays to buy here the guaranteed clothes we sell.

Schloss Suits \$15.00 to \$25.00
Other Suits \$8.50 to \$15.00

Will Improve.—E. R. Hodson is arranging to remodel and improve his residence on South Fourth street.

Open Meat Market.—Mr. Peters is arranging to open a new meat market on Broadway, south of Golden, in the building formerly occupied by the Pacific Monumental Works.

Meeting Friday.—Owing to the funeral of Mrs. C. H. Jackson, the ladies of the C. W. B. M. have postponed their missionary meeting from this afternoon to Friday afternoon, at the Christian church.

Masonic meetings.—A special meeting of Masonic bodies is being held this afternoon to confer the Most Worshipful Master's Degree preliminary to the conferring of the Royal Arch Degree this evening.

Heavy Rainfall.—The rainy season resumed operations again last night an inch and one-tenth falling up to this morning. This makes a total of 29.93 inches since September 1, or about double what it was for the same period a year ago.

Issue Invitations.—Invitations are out for the wedding of Katherine Elia MacLaurin to Horace Melain Albee. The wedding will take place at the home of Mrs. E. C. Drews, Saturday, November the twenty-third at eight thirty o'clock.

Initiate Candidates.—The Knights of Pythias held initiation last night in their hall in the Odd Fellows building and conferred the third degree of Knight on Sherman Cutlip of Daniels Creek. The attendance was rather disappointed for the newly initiated was not much of a cowboy.

Meet Wednesday.—The Woman's Home Missionary society of the Methodist church, will hold a meeting tomorrow afternoon at 2:30 o'clock at the Methodist church. An attractive missionary program has been prepared and music will be rendered by the Ladies' Missionary quartet. All ladies are invited. There will be a sack offering to be used in slum work.

Road is bad.—J. D. Goss, who returned yesterday via Myrtle Point, reports the road is in bad shape. The first twenty miles out of Roseburg was made by auto in good time but the next forty miles was by stage and took from 9:30 in the morning until 3:30 the next morning, including several breakdowns.

Cannery Closed.—The Tallant Cannery on North Front street has closed operations for the season on Coos Bay and most of the crew have departed for their homes. Mr. Tallant introduced an innovation in the cannery here this year by having all the work done by white labor, mostly girls, instead of Chinamen. The season is understood to have been very successful.

Take Depositions.—Attorney E. J. McAllister of Portland is here taking depositions in the case of Christian Herrmann vs. Henry Sengstacken, John F. Hall, L. D. Smith and others. Herrmann charges that certain Eastside property belonging to his former wife, remembered on Coos Bay as Mrs. Norman, has been sold for much less than it was worth and seeks to recover the difference. The case will be heard in the federal court in Portland, December 15. The depositions are being taken before Miss Violet Henderson.
