**OREGON'S NEW TAX LAWS**  
 Governor West Tells About Amendments at Recent Election.  
 SALEM, Ore., Nov. 20.—According to an outline prepared by Governor West the following constitutional restrictions on assessments and taxation exist in the state as a result of the recent election:  
 No tax or duty shall be imposed without the consent of the people or their representatives in the legislative assembly.  
 Taxes shall be levied for public purposes only.  
 The power of taxation shall never be surrendered, suspended or contracted away.  
 No poll or head tax shall be levied or collected.  
 The legislature shall provide by law for uniform and equal rates of assessment and taxation; and shall prescribe such regulations as shall secure a just valuation for taxation of all property, both real and personal, excepting such only for municipal, educational, literary, scientific, religious or charitable purposes, as may be specially exempted by law.  
 All taxes shall be uniform upon the same class of property within the territorial limits of the authority levying the tax.  
 The legislative assembly shall not declare an emergency in any act regulating taxation or exemption.

**Why Salves Can't Cure Eczema**  
 Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged.  
 This—the quality of penetrating—probably explains the tremendous success of the well known fluid eczema remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription.  
 We have sold other remedies for skin troubles but none that we regard as highly as this for we D.D.D. stop the itch at once, give you a trial size bottle, and that will be enough to prove to you that we offer you a real guarantee. Of course all other drugs are D.D.D. Prescription—go to the big profit substitute.  
 But if you come to our store so certain of what D.D.D. means that we offer you a full bottle of this guarantee—if you are not satisfied it takes away the itch at once costs you not a cent.
