AMONG THE SICK.

Mrs. Ed. Busby is rapidly recuperating from her recent operation for appendicitis and may be able to return home tomorrow from Mercy hospital.

It will be very gratifying news to the many friends of Mrs. Wm. Buck to learn that she is very much improved and was able to sit

up last Sunday. She is perfectly rational now and entertains great hopes of a speedy recovery from an injury which, for a time was feared to be fatal.

Miss Spence Wilson, who went to San Francisco for medical treatment, writes friends that she has secured little relief so far. Her condition has not permitted an operation.
