

ROYAL BAKING POWDER

ABSOLUTELY PURE

Cooking is a matter which concerns the whole family, and under modern methods and conveniences it is made so attractive the whole family is becoming interested, if not taking part in it.

"These biscuits are delicious; this cake is excellent," says the father. "I made them," says the daughter, and both father and daughter beam with pleasure.

It is a crime, with our modern agencies, helps and facilities, to have soggy biscuit, or wooden cake, or leaden pastry.

Royal Baking Powder has made home baking a success, a pleasure and a profit, and the best cooking today the world over is done with its aid.

WEDDINGS

Mrs. Lagerstrom has been the director of one of the large choirs in Los Angeles and in addition to her marked musical ability is a very charming and accomplished young woman. At Nuptial Mass at St. Monica's Church, last Tuesday morning, the hour being eight o'clock, Mr. Henry Lois Struffert and Miss Lola Mary Adams were joined in the holy bonds of matrimony, the Rev. Father Munro officiating.

"Selby" Shoes are made in the East and are sold by the best stores in the large cities. They are made in Gun Metal Calf, Tan Russia Calf, Patent Colt, and in all the popular leathers. We have them in the short vamps, full toe effects, and in widths from AA to EE. "SELBY" SHOES FIT THE ARCH. Try one pair, then judge if it pays to buy your shoes at HUB DRY GOODS CO.

We realize that it is easier for a boy to walk through a puddle than around it. Therefore, our boys' shoes are made of SOLID LEATHER ONLY. Some of them in high, top, heavy tan calf, with buckles. If you buy the next pair of shoes for that boy at Hub Dry Goods Co., he won't miss a day of school all winter.
