CUTER CLUB ELECTS.

Annual Meeting Followed by Banquet and Hunt. The Cuter Club held election of officers last Saturday evening at their club rooms, and the following officers were named: Jay Tower, president; John Meroee, vice president; George Carlton, secretary; M. A. Sweetman, treasurer; Charles Howard, high priest. After election of officers there was a big banquet, after which the members and officers as the guests of the club president went to the Glasgow Gun club grounds for a hunt. They returned last evening with ten canvasbacks and 28 wild-geon and sprig.

SUPPLIES FOR MILL.

The long-looked for boat loaded with lumber, provisions, machinery, etc., for the Brookings Lumber and Box company, arrived off the Chetco on the 15th, according to word reaching here Saturday. The weather clerk has since kicked up a strong breeze from the south, which makes the date of its unloading very uncertain.—Gold Beach Globe.

North Bend News

C. A. Smith of North Bend, who is building a new residence on North Bend Heights, will occupy it soon. The Presbyterian Ladies' Aid will meet with Mrs. C. H. Farriss on Union avenue, next Friday afternoon. The W. C. T. U. will give a social next Tuesday evening at the Presbyterian church. An invitation to attend is extended to the public. Mrs. E. George Smith visited friends on South Coos River yesterday.

MILTON SHERMAN DEAD.

Former Resident of Coos County Passes Away in California. Mrs. Geo. Bolster of North Bend received news yesterday of the death of her half brother, Milton Sherman, in San Leandro, California. Mr. Sherman was 64 years of age, and will be remembered by the older Coos Bay residents, he having lived here 20 years ago. He was born in Wisconsin. Mr. Sherman leaves a widow, his half sister, Mrs. George Bolster of North Bend, and a half brother, George Sherman of Allegany.

START SIUSLAW MILLS.

The Florence West says: "We were informed yesterday on what seems to be reliable authority that a contract has been let for building an addition to the sawmill wharf, extending it out into the river, and up stream to give more room for piling lumber. "The same party also stated that he has it on good authority that the mill will start up before January first."

ASK TO BRIDGE SIUSLAW RIVER

Southern Pacific Wants to Put in 100-Foot Draw Mile Above Acme.

The Florence West says: "Letters sent out from the office of the U. S. engineers in Portland state that application has been made to the War Department by the Willamette-Pacific Railroad company for permission to build a bridge across the Siuslaw River, about a mile up stream from Acme. "The application is for a draw bridge to rest on piers of masonry opening 100 feet wide and to be 15 feet above ordinary high water. This seems pretty low for boats to pass without opening the draw and so narrow that it would interfere with towing on that part of the river."

WORK NEAR VALE.

Track Laying on East and West Line to Be Resumed. VALE, Ore., Nov. 25.—Track-laying operations on the new Oregon Eastern railroad out of Vale will be resumed about December 1, between milepost 22 and the tunnel, which lies between mileposts 38-39. If present plants of the engineering department are carried out. The large gang which was pulled off the job here several weeks ago and divided into two sections elsewhere is being hampered by adverse weather conditions, and if the Harriman system can secure sufficient additional motive power for the work in Malheur county, as was reported today seemed likely, local operations will be rushed. It is desired by the engineer department to complete all track-laying as far as the east portal of the tunnel not later than January 1, which would give the engineers an excellent opportunity of reaching the western entrance of the bore, more than 2600 feet in length, by May 1, 1913. Then, with the steel and concrete bridges in position throughout the tortuous Malheur canyon, it would easily be possible to construct 100 miles of track out of Vale by midsummer. The Malheur canyon will contain 23 bridges of approximately 300 feet in length each across the Malheur river, besides other smaller spans over the numerous creeks, but four bridges on the eastern side of the tunnel are almost ready for the tracklayers.

PAYS POLICY IN 14 DAYS

THE PACIFIC MUTUAL LIFE THROUGH DISTRICT AGENT EDGINGTON SENDS MRS. ALVA LAYTON \$1000 SOON AFTER HUSBAND'S DEATH.

R. W. Edgington, district agent for the Pacific Mutual Life Insurance Co., today gave Mrs. Alva L. Layton a check for \$1000, the amount of the policy which her husband, who was killed in an accident at Smith-Powers Camp 1, on November 11, carried. This establishes a new record for prompt payment of life insurance here, the payment being made just 14 days after the death of the policyholder. It would have been made even more quickly had it not been for the time taken in getting the mails in and out of Coos Bay. Layton took out a twenty-year endowment policy with Mr. Edgington on July 13, 1912. Less than four months later, he was killed and the money now goes to care for his widow and little children. This is the second policy that Mr. Edgington's company has had to pay within a short time after it was written, the first being on Geo. H. Ellenburg, who was also killed in a logging camp. The promptness with which his company in taking care of its losses is very gratifying to him because he is a firm advocate of promptness in such matters.

GRANDMOTHERS USED SAGE TEA

To Darken the Hair and Restore Grey and Faded Hair to Its Natural Color. It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy long hair after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea," for their hair and are fast following suit. The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers. The growth and beauty of the hair depends on a healthy condition of the scalp. Wyeth's Sage and Sulphur Hair Remedy quickly kills the dandruff germs which rob the hair of its life, color and lustre, makes the scalp clean and healthy, gives the hair strength, color and beauty and makes it grow. Get a 50 cent bottle from your druggist today. He will give your money back if you are not satisfied after a fair trial.

PLAN TO BOOST CURRY COUNTY

Commercial Club Organized at Banquet in Honor of Addison Bennett.

GOLD BEACH, Ore., Nov. 25.—Twenty-five representative business men of Gold Beach and Wedderburn assembled in the dining room of the Breakers Hotel to a banquet given for Addison Bennett, staff correspondent of the Oregonian, and C. H. Marsh, right of way agent of the Southern Pacific Railway company, who are visiting Curry county, writing up this section and taking pictures of Curry's beautiful scenery. After the spread was over and the cigars passed around, Attorney W. H. Meredith, toastmaster for the occasion, in a few fitting remarks welcomed the distinguished guests to Curry county and called on them for speeches. Mr. Bennett, after telling some of his best stories in his inimitable way, which brought a hearty laugh from all, proceeded to make an eloquent and enthusiastic address on the merits of Curry county, and what could be done here. Mr. Marsh also gave some good sound advice on how a commercial club and a community might proceed to boost their localities. Both speeches were roundly applauded, and were followed by short talks from Cashier Geo. D. Wood of the Curry County Bank, W. A. Wood, County Judge elect; N. A. Leach, manager of the Macleay estate, S. E. Mersters, editor of the Gold Beach Globe; Sheriff Bishel, T. M. Littler, merchant, recently located here from Douglas county; C. J. Lampron, proprietor of the Breakers; J. R. Stannard, county clerk elect; Dr. F. J. Schlemann and others. After these enthusiastic speeches, a proposal by W. H. Meredith to organize a Commercial club was unanimously agreed to, and in 30 minutes \$360 was pledged to carry on the work of advertising Curry county. Officers were elected for six months, as follows: Geo. D. Wood, president; W. H. Meredith, secretary, and Geo. B. Stafford, treasurer and the following vice presidents from the different sections of the county: J. R. Stannard, Gold Beach; N. A. Leach, Wedderburn; W. J. Ward, Harbor; Delmar Colegrove, Mountain; J. J. Weersing, Agness; W. T. White, Sr., Port Orford, and W. E. Caterlin, Langlois, with the proviso that other names be added later. Several names were suggested for the organization, but it was finally decided to call it the Curry County Commercial club, with headquarters at Gold Beach and Wedderburn, but its object is to boost for the growth and development of all of Curry county. After their enthusiastic addresses Addison Bennett and C. H. Marsh were unanimously elected honorary members of the club and Mr. Bennett remarked that after noting the enthusiasm of all present that the organization of this club marked the beginning of a new epoch in the development of Curry county. A wagon road up Rogue River to Grants Pass was strongly urged by several of the speakers and this matter will be taken up at once with the Grants Pass people through their commercial club.
