

The Gas Range Is A Friend To Everybody

To the women of the household it means clean, cool kitchens without back-breaking labor.
To the men it gives better cooked meals and happier wives.
To the children it allows more time for play, there being no kindling to chop nor hurried errands to the grocery for oil.
To the entire household it gives:

Cleanliness—Safety—Economy

It is no longer a luxury only for the rich. Telephone 178 and ask the New Business Department about our gas range proposition.

AWAY CATARRH, A FILTHY DISEASE

A Safe Old-Fashioned Remedy Quickly Relieves All Distressing Symptoms.

If you are subject to frequent colds, or if you have any of the distressing symptoms of catarrh, such as stuffed up feeling in the head, profuse discharge from the nose, sores in the nose, phlegm in the throat, causing hawking and spitting, dull pain in the head or ringing in the ears, just anoint the nostrils or rub the throat or chest with a little Ely's Cream Balm, and see how quickly you can get relief.

In a few minutes you will feel your head clearing, and after using the Balm for a day or so the nasty discharge will be checked, the pain, soreness and fever gone, and you will no longer be offensive to yourself and friends by constantly hawking, spitting and blowing.

Shake off the grip of catarrh before it impairs your sense of taste, smell and hearing and poisons your whole system. In a short time you can be completely cured of this distressing disease by using Ely's Cream Balm. This healing, antiseptic Balm does not fool you by short, deceptive relief, but completely overcomes the disease. It clears the nose, head and throat of all the rank poison, soothes, heals and strengthens the raw, sore membranes, making you proof against colds and catarrh.

One application will convince you and a 50 cent bottle will generally cure the worst case of catarrh. It is guaranteed. Get it from your druggist today.

SHOP EARLY

By BOB STANLEY

OTHER, dear, and Sister Ann, do your shopping while you can. Don't look 'round till Christmas time. Spend your two-bit piece, and dime. Just a few more days to trade, so cut out that gay parade—douse the gazing, spend your mon—buy the toys for waiting son.

Keep the smiling clerk in mind. Don't be to his nibs unkind. He has seen you ev'ry day standing in some buyer's way. Don't put off till Christmas eve, buying things for Bill and Steve. Don't get caught in Christmas rush that will all your bundles crush.

There's another reason, too, why this shopping you should do—now's the time Dad's pocketbook bulges like a Holland cook. Now's the time when Daddy, dear, never has a haunting fear that the crops will droop and fail, causing empty dinner pail. Now, the hay is in the mow. Fat encircles ev'ry cow. Pork is on the upward trend. Season's been our Daddy's friend. On his face there is a smile that won't be there after awhile, so you'd better touch him now. He'll thaw out and won't know how.

Do your shopping while it's fair. Don't wait till they muss your hair, tread your feet, and mash your nose, maul you 'round and tear your clothes in the struggle for a toy that you want for Willie boy, and some other now wants, too. Do your shopping early, do.

RAT CAUSES FURORE.

Rodent's Feet Get Tangled Up in Big Switchboard—No Lights.

WALLACE, Idaho, Nov. 26—This entire city, as well as every power plant using electricity, was plunged in darkness for several hours before daylight the other morning, through a rat's prowling back of the main switchboard of the local water-power company. The rodent's feet had short-circuited two terminals, burning out the city's lighting system.

There will be a BIG BANCE at the NORTH LAKE HALL at TEN-MILE, SATURDAY, NOV. 30. High class music, turkey supper.

The bugle call for parade on Memorial day is as sad and a thrilling thing. memories it arouses in the old soldier!

There is now a bugle call you. It summons you to parade of early Christmas shopping. If you do not respond as those heeding the bugle should do, the procession will pass and you will be left. You will then get into the of the late Christmas shopping, are not organized into anything orderly as a parade, but apply a mob.
