THANKSGIVING DAY.

AGAIN we pause in the pursuit of business to render unto an All Wise Providence our due measure of thanks for the bountiful blessings bestowed.

This Thanksgiving day brings abundance for daily needs, assurance of future provision to more men and women than ever before in our country's history, times are "looking up," the day of "charity to all and malice to none" dawns bright on tomorrow's horizon.

THANKSGIVING DAY.

Will Carlton. Come to us cheerily, Thanksgiving Day. Out of the sweet blue sky: Hearts are hoping and laughs are gay, Flowers are blooming along the way, Even if the frost be nigh.

NO HOLIDAY IN THE BIG NOISE

Rehearsals for Elks Minstrel Show Continue Today—Dix Wants In.

"The Big Noise" did not stop for the Thanksgiving holiday today, Director Rufus K. Love conducting a big rehearsal this morning.

All was peace and quiet this morning, the Stafford-Powers embroglio having been amicably adjusted. However, the serenity was threatened later when rumors reached Mr. Love that Dr. Geo. E. Dix was threatening to try to throw both Stafford and Powers out of the forest scene so there would be nothing to detract from his appearance as the stately monarch of the forest at "The Big Noise."

Otherwise everything is going lovely with Mr. Love's "Big Noise," and he says December 5 and 6 will be red letter days in the history of Coos Bay.

THANKFUL FOR ALL.

For the grasses and the grains, For the joys and for the gains, For the orchard's mellow fruit, And the forest's sturdier root, For the bloom beside the patch, For the meadow's aftermath, And the winter time's delay, We will keep Thanksgiving Day.

For the sunshine and the rain, Frost and dew and frost again— For the wind, the storm, the tide, Nature's life our own beside, For the deed to which she spurs, And the thought her beauty stirs, For the bird song and the star, Thankful all, and glad, we are! —Selected.

TAKE THE BEST CARE OF OLD RAGS

Not for their value, but because they cause fire. Most people do not know that old rags, particularly oiled cloths used for dusting, etc., will often take fire spontaneously. Many fires where "cause is unknown" might be traced to carelessness in disposing of rags.

Anybody knows it's wise to insure against loss by fire, and anybody may find out, by the least investigation, that we have five of the greatest insurance companies on earth.
