### WANTED---A GOOD SWIFT KICK

"Somebody kick me, please, because I had chances in 1906-7-8-9-10-11-12 to buy good Coos Bay real estate that has made money for those who did as I should have done." This is a common plaint. It will be just as common in 1913-14-15, etc., because the many keep on making the same mistake, while the few profit by reading the signs of the times.
