### Our Song Department

#### MALINDA.

Come down, Miss Malinda, down on the green,  
I'm waiting for you to tell you my dream, my honey;  
You are my little sweetheart, you I long to see,  
Come down Miss Malinda, won't you come down to me.

#### GETTING IT.

Somebody else is gettin' it, gettin' it,  
Right where his collar ought to be,  
Somebody else is gettin' it, gettin' it,  
Right where the chicken got the A-X-E,  
Somebody else thinks he's in fine,  
But he'll get his where I got mine,  
Somebody else is gettin' it, gettin' it,  
Right where she handed it to me.

#### I'M THE GUY.

He's the guy that put the salt in the ocean,  
He's the guy that put the bones in fish,  
He's the guy that can't tell a lie,  
He'll always live, he'll never die,  
In the wishbone he's the guy that put wish,  
He's the guy that put the smoke in the chimneys,  
He's the guy that put the leaves on trees,  
What's that?  
Who am I? Don't you know?  
He's the guy,  
He's the guy that bites the holes in switzer cheese.

#### DOWN BY THE OLD MILL STREAM.

Down by the old mill stream  
Where I first met you,  
With your eyes of blue,  
Dressed in gingham, too;  
It was there I knew  
That you loved me true,  
You were sixteen  
My village queen  
By the old mill stream.
