Good Housekeeping

You Saw It Advertised In A Magazine!

Of course—that's where you see all the good things.

But you may see the article itself, in this store, if it's in our line.

And that is far better than ordering by mail—or going to the next town.

We carry advertised goods—because we know them to be always dependable.

Especially the goods advertised in Good Housekeeping—the magazine that guarantees everything advertised in its columns.
