LAD SHOOTS HIS FATHER

Thirteen-Year-Old Los Ange-
les Boy Kills Parent for
Whipping Brother.

LOS ANGELES, Dec. 12.—Daniel
H. Rickhart was shot and killed by
his 13-year-old son, while
administering a whipping to an
elderly man. Martin's first story was
corroborated by his brothers who
said that a rifle with which he was
playing was discharged by accident.
The bullet entering the woodshed
where the father was working and
striking him in the heart. Neighbors
said that Rickhart had taken the
elderly boy to the shed to whip
him and under pressure the lad
later confessed to firing at his fa-
ther, whom he said was habitually
brutal to the mother. The shooting,
he said, had followed a family
quarrel in which the mother took
the boys' part.

SENATE WILL SPARE WOMEN

Stenographers Not to Testify
in Archbald Case—Will
Preserve Old Custom.

WASHINGTON, Dec. 12.—The
house managers announced today
that they will try to make out
their impeachment case against
Judge Archbald of the commerce
court without subjecting Miss Mary
Boland and Miss Anna Blackmore,
stenographers, to the ordeal of tes-
tifying before the senate. Should
either take the stand, it would be
the first time, in recent years at
least, that a woman's voice has
been heard in the Senate chamber.

NO TRACE OF UNION MONEY

Officials of Ironworkers in Au-
diting Accounts Did Not
Investigate.

INDIANAPOLIS, Ind., Dec. 12.—
Whether he knew that \$10,000 of
the International Association of
Bridge and Structural Ironworkers'
funds had been expended for "Dyna-
mite and nitro glycerine and to pay
salaries of the dynamiters" was asked
by the government in cross ex-
amination of John H. Barry of St.
Louis at the "Dynamite conspiracy"
trial today. As vice-president of the
union and member of the executive
board, Barry testified he audited the
accounts of J. J. McNamara, the sec-
retary, he asserted he never traced
the final use of money paid to McNa-
mara, Frank C. Webb and Herbert
S. Hockin, which the government
charges was used for dynamite.

Bert Brown, of Kansas City, former
business agent of the local
union, was the seventeenth of the
forty-one defendants to testify. He
is charged with having met in Kan-
sas City James B. McNamara, the
Los Angeles Times dynamiter, and
plotted the destruction of a bridge
across the Missouri River, which lat-
ter was destroyed by McManigal. A
former witness who said he had
met Brown in a barber shop where
the latter was introduced to McNa-
mara, testified that Brown and
McNamara tried to induce him to
blow up the bridge, promising big
money.
"They told there would be big
doings in Los Angeles and lots of
money for the work," said this wit-
ness. Brown entered a denial of
the charges.
Brown said that he first learned
the cause of the bridge explosion
on hearing McManigal's confession
at the trial here.

on the California election will be

velt won both the electoral dele-

TEN MILL TAX IN NORTH BEND

Council Fixes Levy for Year
—Urge Action on Bridg-
ing Bay Permit.

The North Bend City council last
evening adopted an ordinance fixing
the tax levy for the ensuing year at
ten mills. The assessed valuation of
North Bend this year is \$1,238,053,
a slight increase over last year.
L. J. Simpson and Dr. Bartle were
instructed by the council to send tele-
grams to Congressman Hawley, Sena-
tors Chamberlain and Bourne, pro-
testing against the permit for the
Southern Pacific to bridge the Bay,
being held up further on the request
of a non-resident. This action was
taken following the reading of a let-
ter from C. J. Mills to City Recorder
Derbyshire in response to Mr.
Derbyshire's letter, informing him of
the previous action of the council
about the grading of Stanton avenue.
In the letter Mr. Mills stated that
the Southern Pacific was taking steps
to comply with it. He stated the
company had been earnestly urging
the War Department for some action
on the request for a permit to bridge
the Bay. He said that they were hop-
ing to get news soon that would en-
able them to start the heavy construction
work on this end soon. He said that
he had not forgot his promises to
the people of North Bend and assured
them that they would be carried out
just as soon as the obstacles and de-
lays would be eliminated.

Yesterday afternoon, City Recorder
Derbyshire, E. T. Coffelt and Justice
Shuster canvassed the returns of the
North Bend election. They found
that 615 votes had been cast, divided
as printed in The Times yesterday.
Of the total vote, 191 ballots were
cast by women.

Fred Johnson charged with selling
"Shine Stand" Wrongfully.
Fred Johnson, who has been con-
ducting a "shine stand" in Curry's
barber shop, was arrested on the
charge of selling property that did
not belong to him. It seems that he
had only partly paid for the stand,
which was worth about \$60, and sold
it to a man named C. M. Letts for
\$10. He had not settled claims
amounting to over \$32.50 against
the stand. After hearing the detail
of the case, Justice Pennock this
morning released Johnson to give
him a chance to settle the matter
figuring that was the best way
of it.

WASHINGTON, Dec. 12.—Represen-
tative Charles C. Bowman of the
eleventh Pennsylvania district was
unseated in the House today by a vote
of 153 to 118 in favor of C. B. Mc-

Lean the salary allowance for the

into a dispute on the floor of the
House during consideration of the
Bowman-McLean contest when Farr
charged that officials of the Lack-
awanna railroad had actively sup-
ported Palmer in the recent election.
Palmer replied that Farr's charge
was a "willful, deliberate, malicious
lie" and demanded that Farr publicly
apologize or prove his assertions to
the House.
