## SAFE REMEDY ENDS CATARRH

Gives Instant Relief, Cures and Prevents Catarrh and Cold in the Head.

The quickest, best and safest way to cure catarrh or a cold in the head, is by using a remedy that will "touch the spot" and do its work quickly without leaving any bad effects. Ely's Cream Balm, which is applied to the nostrils or rubbed on the throat or chest, gets right at the root of the trouble and relieves even the worst case of catarrh or cold. A few minutes after applied you can feel a loosening up in the head, the pain and soreness are gone, the sense of taste, smell and hearing come back and you feel like a different person.

Ely's Cream Balm cleanses, heals and strengthens the inflamed membranes, takes away that stuffed up feeling and dull pain in the head, relieves the throat soreness and stops the nasty discharge which is the cause of the disgusting hawking, spitting, blowing of the nose, and foul breath. Hay fever victims who are made miserable by fits of sneezing, coughing and wheezing get instant and permanent relief by the use of this simple remedy.

Don't suffer another minute. Ely's Cream Balm will relieve you immediately and a 50 cent bottle will more than likely work a complete cure.

### New Things --- New from Kris Kringles Shops

And who, of we grown-ups, does not delight in the cheeriness and splendor and tradition of such a happy place—of Christmastide, the greatest, most glorious, most gracious time of the year?

With Goethe, we say: "We should deal with children as God deals with us; we are happiest under the influence of innocent delusions."

SO BRING THE CHILDREN TO TOYLAND TOMORROW!

Let them feast their wondering eyes and fancy-free minds upon the thousands of things such a Toyland contains—the inhabitants of "Doll City," the toy airships, engines that run, the myriad games and playthings that are dearest to their hearts.

Let them revel in the cheerful hopes and fancies of what Santa might bring them.

Let them enjoy the childish hilarity of Toyland with its automobiles, "merry-go-rounds," fire engines, games and other innocent amusements of this, the biggest, best Toyland hereabout.
