TAKE THE BEST CARE OF OLD RAGS

Not for their value, but because they cause fires. Most people do not know that old rags, particularly oiled cloths used for dusting, etc., will often catch fire spontaneously. Many fires where "cause is unknown" might be traced to carelessness in disposing of rags.
Anybody knows it's wise to insure against loss by fire, and anybody may find out, by the best investigation, that we are five of the greatest insurance companies on earth.
We know how to write policies that protect perfectly, too.

Easy to Get Relief From Indigestion
Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headache and constipation.
Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body.
For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder.
Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. J. Jayne & Son, Philadelphia, Pa.
