**APPRECIATION OF
GOVERNOR WEST**
To Editor Coos Bay Times:
Out of consideration for the
friends of honest government, I beg
you will give the following to the
public.
Oswald West is right. The whole
honest world knows he is right. His
critics and his enemies are the ele-
ments of the underworld, by this is
meant the elements that uphold and
profit thereby, the unfortunate cre-
atures that make possible an under-
world. The elements that walk in
dark and shady ways, that conceal
from the public what they are, well
aware the public should know. This
degenerate Tory of bigoted-by-gone-
day; this "Combination in Restraint
of Education," breeder of ignorance,
poverty and crime. Thousands upon
thousands of years would the
world and its people be in advance
of what it is today, but for the views
(political and otherwise) not to men-
tion principles, of this individual.
He, the cause of ignorance, ob-
struction to education, socially, in-
dustrially, criminally, steadfastly, he
plants his feet backwards in the path
of progress, favoring only what will
benefit his individual interest, tho'
it make a brute of he, himself, as it
never fails to do, and likewise mil-
lions of his contemporaries. This in-
dividual, the cause of ignorance, ig-
norance, the only cause of crime,
crime, the only cause of gallows.
This never progressive, find him
where you will, his hands reeking
with the blood of millions, not of
men alone, but economically de-
pendent women and helpless children.
This individual's cruise of the cen-
turies—living in the palace on the
hillside, financing all the paths lead-
ing to crime, always innocent of
causes and results when questioned,
their brains always seething in
craftiness, crime or alcohol, this com-
plex, two faced, two mouthed individ-
ual, this is the real culprit, the real
guilty member. This contemptible
creature, which requires philosophy
to understand, whose interests are
always at stake, believes in capital
punishment, and does not believe in
education, the one thing that would
make it all unnecessary, because it
conflicts with his interests.
The laurel wreath shall rest upon
the noble brow of Oswald West, the
one governor of Oregon, who has had
the courage to face public opinion
in a belated policy of savagery. He
will win all honor to his name. It
shall stand forth, as one of the
brighter stars of the Western Hemi-
sphere and proud of it shall his de-
scendants be; long after the mem-
ory of his notorious critics and ene-
mies shall have sunk into the mur-
muring waters of oblivion.

The readers of this paper will be pleased to
learn that there is at least one dreaded disease
that science has been able to cure in all its
stages, and that is Catarrh. Hall's Catarrh
Cure is the only positive cure now known to
the medical fraternity. Catarrh being a con-
stitutional disease, requires a constitutional
treatment. Hall's Catarrh Cure is taken inter-
nally, acting directly upon the blood and mu-
cous surfaces of the system, thereby destroying
the foundation of the disease, and giving the
patient strength in building up the constitu-
tion and assisting nature in doing its work.
The proprietors have so much faith in its cur-
ative powers that they offer One Hundred Dol-
lars for any case that it fails to cure. Send for
list of testimonials.
