Trustworthy Toilet Preparations

Don't make the fatal mistake of using strange toilet requisites, without any guarantee as to their quality. If you do you're taking big chances of

ruining your complexion. Bad toilet goods are worse than none, for they not only do no good, but often contain ingredients that are actually injurious to the skin.

We can recommend all the toilet helps we sell as being pure, fresh and excellent, containing only elements of high nutritive value to the skin.

REXALL CREAM OF ALMONDS is one of the safest and surest of skin beautifiers known to us. This delightful preparation is absolutely pure, and free from all grease and oil. It softens, whitens, soothes, heals and preserves the skin and insures a fresh and fair complexion. Sold with the Rexall guarantee.

Sells Horse.—Lee Byerly yesterday sold his saddle horse through a want ad in the Times. Miss Powell of North Bend saw the ad and through it purchased the horse.

Oil is Lower.—Manager Montgomery of the local branch of the Standard Oil Co., received word today of a decline of one-half cent per gallon in gasoline, naptha, and distillate, effective next Monday.

Eighth Grade Examinations.—County Superintendent Baker announces that the Eight grade examinations will be held January 16 and 17. The teachers must certify

that the pupils have completed a year's work in the eighth grade.

Gets Results.—"Stop that want ad about my motorcycle tools being lost. I have been offered three sets and if they keep coming it will make me poor paying rewards." This was Ross Smith's message to The Times today. He lost his motorcycle tools and inserted a lost ad in the Times one night with the above results.

Chamber of Commerce.—The annual meeting of the Marshfield Chamber of Commerce, which was to have been held last night, was postponed. Vice President C. F. McKnight and Secretary John Motley and only one or two others showed up and for a lack of a quorum, adjournment was taken to a date to be fixed later.

Starve Burro.—Louis St. Denis of North Inlet, who was in Marshfield today, consulted Justice Pennock about prosecuting some North Inlet people, whom he charges with starving a burro. The animal has been mean and difficult to handle and was shut off by itself and Mr. St. Denis says it has not had sufficient food or water. Action may be taken in the case later.

Police Alarms.—The new police call boxes are being installed by H. J. Keogh of the Coos Bay Home Telephone Company. One box will be put at Central and Broadway, one at Front and Alder and one on Central avenue and Broadway. The call boxes, besides a "buzzer" have a red light attached to them to attract a policeman or cause people who see them to notify the police.

Start for Washington.—J. W. Bennett today received a telegram from Capt. T. J. Macgenn of the steamer Breakwater, dated at San Francisco yesterday, stating that he and Col. Grimes were leaving there for Washington and that C. A. Smith and L. J. Simpson would follow them. Whether Dr. McCormac

is going with the former or with the latter, Capt. Macgenn did not state. D. C. Greene is expected to reach Washington before the others of the delegation.

Trouble Over Road.—Tom Hall and St. Noah returned last night from Coquille, where they represented North Coos River residents who want to secede from the Allegany road district. Most of the ranchers along North Coos River want to be transferred from District No. 6 to District 7, the latter being known as the Daniels Creek district. They want to escape the special tax levied by the Allegany district. John Porter of Allegany opposed the change. The matter was taken under consideration.

Wife is Ill.—Taylor Dement of Myrtle Point is not in attendance at the meeting of the county commissioners owing to the illness of his wife. In consequence, Commissioners Hall and Armstrong are taking up only the routine business at present and leaving the appointment of road supervisors until all are present. It is expected that F. P. Norton of Marshfield will be reappointed but there are several applicants for the place of Supervisor Grout of North Bend. The commissioners will be in session all next week probably.

ROBBERS WORK IN MARSHFIELD

Baltimore Cafe Entered Last Night and About \$4 in Cash Register Taken.

The Baltimore Cafe in the Gow Why building at the corner of Commercial and Broadway was last night robbed of about \$4 in cash. Whether anything except the change in the cash register was taken, Proprietor Fred Knudson is unable to determine.

Entrance was gained by crawling underneath the building from the South side and then opening a trap door leading up into the rear of the Baltimore Cafe.

Someone evidently familiar with the lay of the building is suspected of pulling off the robbery. Marshal Carter so far has been unable to find any definite clues.
