

# Good buying sense

If you buy a suit now, you'll get it for a good deal less than it's worth; same thing is true of buying an overcoat. The money saving is in getting more for your money rather than in spending less. You'll have the clothes to put on next fall and that may prevent us from selling you a new suit then; but we'll make a good solid friend out of every man who buys now; and friends are worth a lot to us.

## Hart Schaffner & Marx

Clothes are worth having plenty of; at the prices we're making, you'd better have plenty of them.

parts of the Oregon Railroad commission arrived. It is stated that the pressure has been about 50 pounds most of the time since their arrival.

**Takes Evidence**—Last Saturday before Judge Coke in chambers, evidence was taken which will make Archie Phillips' affidavits concerning the posting of notices of the last Port of Coos Bay elections permanent. In order to make his affidavit a matter of court record, it was necessary to have introduced a hearing in circuit court.

**Council Tonight**—The Marshfield city council will meet this evening to take up a number of matters. Among them will be the report of Messrs. **Hearing Postponed**—Judge Hall adjourned the hearing of Stevens of Coquille, charged with non-support of his wife, until February 3. Anderson had the best of it from the start, Trott not being in his class. Finally in the sixth, the referee stopped the fight and gave Anderson the decision. Anderson fought in Marshfield a few years ago and won many friends here among the lovers of the sport. Anderson is now scheduled to meet Joe Mandot, Joe Rivers or Jack Britton in a short time.

**Removes Scow**—Judge Hall reports that the damage to the South Slough bridge by the old scow last week was comparatively slight. He visited there Friday and found two piling broken and two loosened, and made arrangements for temporary repairs.
