

Important Announcement

To The People of Coos County:
The Finnish Co-Operative Store desires to announce an important change in the operation of that establishment, by which every customer is to share in the profits.

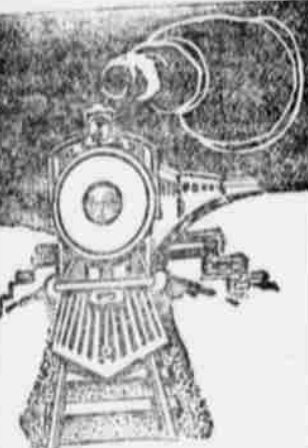

Hereafter a careful and complete record is to be kept of all who trade at this store and at the end of the year, after allowing the sum of six per cent on the investment and for expenses and depreciation, all the remaining profits will be set aside in a dividend fund which will be divided among all the customers, just the same as if they were stockholders. The total profits will be apportioned pro rata, the same as a dividend fund. Thus the larger sum spent in trade, the greater your returns at the end of the year. In other words, under the new Co-Operative plan, the customer gets the profit.

This broad and comprehensive manner of co-operation makes it possible for everyone to share in its benefits and profits without having your money actually invested in shares of stock.

Come in and let us convince you.

AT THE HIGH COST OF LIVING W. H. Chapman of Winnebago, Neb., tells how he did it. "My two children had a very bad cough and the doctor's medicines did them no good. I got a bottle of Foley's Honey and Tar Compound, and before it was all used the children were free and cured of their cough. I saved a doctor's bill for one 25c bottle of Foley's Honey and Tar Compound." No opiates. Sold by Lockhart & Parsons, the Busy Corner.

LOSER GOES TO JAIL, AND WINNER LOSTS HIS LIFE
DANVILLE, Ky., Jan. 29.—Jack Coleman, a Harrodsburg, Ky., William Tell, hit Henry Marshall that he could put a bullet through Marshall's hat without touching the scalp. Marshall accepted the wager and won it. The bullet went through the hat and Marshall's skull, killing him instantly. Coleman was arrested.

Fine Chickens.—H. A. Wells of the Java Coffee House is getting to be a real poultry fancier. Today he received two White Orpington Cockerels that cost him about \$35. He already has quite a few blooded fowls.

Attend Court.—Dr. E. Mings, Marshal Carter and Nightwatchman Shoupe were among those called to Coquille to testify in the Parker damage case. Walter Richardson is acting marshal in the absence of Jack Carter.

Contract Confirmed.—Advice received last here confirm the report in Tuesday's Times that the Southern Pacific had awarded the contract for the concrete work on the piers for the bridge across Coos Bay and also for the steel for the bridge.

Two Funerals.—Two funerals were held yesterday and in each case the person was without any relatives or close friends in this section. One was that of James Dolan, the former sailor and later saloon "swampier," and the other was Peter Catafitch, the Austrian logger, who was killed in the Smith-Powers camp at Coaledo in an accident Monday.

Recovers Purse.—Mrs. Charlotte McMullin yesterday recovered a purse containing \$100 in cash and about \$200 worth of securities, which she lost on the road en route to Marshfield the other day. The purse was picked up by a laborer named Oscar Lea, who lives with an aged mother and father near Tarheel Point. He was liberally rewarded for his honesty by Mrs. McMullin.

Gets Announcement.—W. A. Reid yesterday received an announcement of the marriage of Miss Helen Gould to Finley Johnson Shepard in Tarrytown, N. Y., last week. The announcements were issued by Mrs. Shepard's eldest brother and his wife. Mr. Reid, when he had charge of the Y. M. C. A. work in Alaska was working under the direction of Miss Gould and as a token of his esteem for the woman, he named his eldest daughter in her honor. The announcement received by him yesterday.

Thursday was directed in Miss Gould's own handwriting, showing that her remembrance of him was not purely official, as if it had been the announcement would probably have been directed by some clerk.

Taxes Due.—Sheriff Gage has assembled an extra force at his office in Coquille to handle the annual payment of taxes which will begin the day after tomorrow. On all taxes paid before March 15, a discount of three per cent is allowed. Not as many Marshfield people will be employed in Sheriff Gage's extra force this year as usual, owing to the ones who have experience having permanent positions which they can not give up for the temporary work.

Christen Vessel.—Miss Jeannette Nowlin, the 16-year-old daughter of Mr. and Mrs. J. A. Nowlin of Coos River, will christen the *San Ramon*, the big 200-foot lumber schooner which will be launched at the Kruse & Banks shipyards in North Bend Saturday morning. She is the granddaughter of Mr. and Mrs. W. B. Piper of Coos River and through a misunderstanding it was stated the other day that Miss Piper would christen the vessel. The vessel is for the Dodge Lumber Co. and it is expected that there will be a large number present at the launching, which will take place about 10 o'clock Saturday morning.
