

Important Announcement

To The People of Coos County:
The Finnish Co-Operative Store desires to announce an important change in the operation of that establishment, by which every customer is to share in the profits.

Hereafter a careful and complete record is to be kept of all who trade at this store and at the end of the year, after allowing the sum of six per cent on the investment and for expenses and depreciation, all the remaining profits will be set aside in a dividend fund which will be divided among all the customers, just the same as if they were stockholders. The total profits will be apportioned pro rata, the same as a dividend fund. Thus the larger sum spent in trade, the greater your returns at the end of the year. In other words, under the new Co-Operative plan, the customer gets the profit.

This broad and comprehensive manner of co-operation makes it possible for everyone to share in its benefits and profits without having your money actually invested in shares of stock.

Come in and let us convince you.

Finnish Co-Operative Co.

San Francisco to aid in caring for her at Mercy hospital, where she will be confined for some time until the burns heal over.

Dies in California—Word has been received here of the death of Claude Lockwood, the 19-year-old son of Mrs. Annie Lockwood, in California. The family is well known in Coos county, having formerly lived at Bandon and on Coos Bay. Mrs. Lockwood was formerly Miss Webber and visited at the Hans Reed home here last summer.

Rib Broken—Guy Lattin is suffering from a broken rib sustained yesterday while getting out a fire engine for the fire. As they were pulling the engine out of the hall an auto came along and the engine had to be turned quickly to prevent a collision. Mr. Lattin was struck in the side and a rib which he injured some time ago broke. Although it pained him intensely, he worked with the firemen until the fire was extinguished and then he went to see a physician and ascertained what had happened.
