It won't be a stylish marriage,
I can't afford a carriage—
But you'd look sweet on the seat
Of a bicycle built for two."

Dayton Motorcycles

SEATTLE—In the annual police hill-climbing contest last week, the Dayton Motorcycle won, beating its nearest competitor 7 1-2 seconds in six blocks.
Queen Anne Hill is six blocks long and the Dayton carried 410 pounds. All the motorcycles represented in Marshfield were in that contest.
We immediately sent for a demonstrator.

What! Do YOU Think About It

We never exaggerate and never state anything we do not believe to be true.
We have no machine here yet, because we did not send for any, not because the \$50,000,000 factory was overrun with orders.

The Chandler and other hotels have been crowded to their capacity and yesterday and today the Chandler has had to turn away guests. They have quite a waiting list of people who have come to spend some time.

Receipts Increase—The growth of Marshfield is being reflected in the increase of receipts at the postoffice. Mrs. Bertram Improving—Mrs. F. W. Bertram, who was so seriously injured in the fire last Monday continues to improve. Yesterday she was able to take nourishment for the first time. Miss Mordecai is a trained nurse of many years experience and will take charge of her sister's case.

Deserts Matson Ranch—Jacob Matson was considerably worried yesterday when informed that Charles Heisner, who has been occupying his ranch on North Slough had moved to North Bend without making any provision to care for the horses and cattle. According to the neighbors Heisner left three or four days ago and the live stock was left without food or drink. One of the horses was badly injured by running into a barbed wire fence. Mr. Matson sent a man out yesterday and today sent his boys to look after the place.
