He is having a special box made to carry axes and various equipment.

They were formerly deputies in the sheriff's office at Portland. Mr. Talley having been county jailer, but a change in the administration left them without positions. Now they are planning to locate in Coos county. They went to Bandon to look over that section Friday.

Bandon Paving.—S. C. Small has returned from Bandon, where he went to confer with city officials relative to hard surface paving. The officials wanted some tentative bids on the work and a Bandon man who is figuring on putting in a brick yard on the lower Coquille offered to lay vitrified paving for \$1.75 per square yard, an unusually low figure. They plan to put in about 4700 yards of hard surface paving in the vicinity of the city hall there. The project will require the construction of a wall along a part of the waterfront.

Extra Special about Dayton Motorcycles

SEATTLE—In the annual police hill-climbing contest last week, the Dayton Motorcycle won, beating its nearest competitor 7 1-2 seconds in six blocks. Queen Anne Hill is six blocks long and the Dayton carried 410 pounds. All the motorcycles represented in Marshfield were in that contest. We immediately sent for a demonstrator.

What Do YOU Think About It

We never exaggerate and never state anything we do not believe to be true. We have no machine here yet, because we did not send for any, not because the \$50,000,000 factory was overrun with orders.
