

The "Kant-Klog" Sprayer

For Trees, Vines, Vegetables, Disinfecting, Whitewashing.

The Best Compressed Air Sprayer Made.

The manufacturers of the "Kant-Klog" are the pioneers of the Compressed Air Sprayer business, and although many imitators have appeared, it still leads them all. The nozzle and spring hose-sock are special features which alone put the "Kant-Klog" in a class by itself. Made either in galvanized iron or brass.

Also bear in mind that we are headquarters for lime and sulphur spraying solution.

Straws Show Which Way the Wind Blows

Our confidence in the Dayton Motorcycle has been strengthened by the following "straws":

In January the Dayton carrying 410 pounds won a hill-climbing contest in Seattle.

Hill was six blocks long and the Dayton beat its nearest competitor by 7 1-2 seconds.

Since then we have read an advertisement in which the dealer expressed his willingness to match his machine against any other "of the same bore and length of stroke."

How's That for a "Straw?"

There is a Dayton Motorcycle soon due in this dealer's territory and the Dayton has a larger bore, longer stroke and larger tires than other machines.

We expect a Dayton about March 7th.

SOMETHING NEW

\$10.00—FOR A NAME—\$10.00

I will pay \$10.00 for the most euphonious and appropriate name for a Coos County Bicycle.

The manufacturers have agreed to let me put my own name on my bicycles.

I want a short, catchy name, something that will sound as good as "Millicoma," but will apply to a bicycle.

\$10.00 if I use the name.

\$5.00 if I simply adapt the idea.

Send answers to Marshfield Cyclery till March 30.

Ad Brought Results—"I will have to get more hens or else take my ad out of The Times," said H. A. Wells today. "My hens are good layers but they can't keep up with the demand which that little inch ad in The Times brought me. So I guess you will have to drop it out for a week or so until I get caught up with the orders already received." Times ads always get results.

Advertises Bay—Rev. G. LeRoy Hall today received a neat little folder issued by the American Baptist Publication Society in the East which is devoted to "The Lifeline," the new colportage boat.
