AT THE ROYAL THEATRE

Again The Big Four changed their programme last night, and again was the cosy theater filled to the last wall with a more than well-pleased audience.

There seems to be no limit to the good shows the Big Four are able to present. Mr. Harrington certainly has a good line of comedies and certainly knows how to place them before the public in a manner that pleases and with the assistance of the other three splendid acting people, the Big Four are able to put up a much better performance than many a larger company as all the members of this excellent little combination certainly are players of ability. Last night's rendition of At Gay Coney Island, was certainly a good one and Ed Harrington and Frank McSorley as the Isiahman and German taking in the sights caused many rounds of laughter, they were ably assisted by Miss Melville and Margaret Eleanore, both ladies were well received in their singing. A complete change of program has been announced for tonight, Uncle Heinie's Visit.

Twin City Auto Stage Line

Jerry Kinney, formerly with the Palace Cafe, has inaugurated a new automobile stage line, between Marshfield and North Bend. The service is known as the "Twin City Stage Line," and starts with two seven-passenger Cadillac machines and will have more if the service warrants it. He inaugurates a round fare of 20 cents between the two cities. This, he believes, is all the service justifies since the new waterfront road reduces the time and also the cost of the service. He has made arrangements for the through service only, leaving the local service to the local autos but in case of an emergency will provide local service for through patrons.

He will have his headquarters at the S. S. Jennings store in North Bend, Phone 1151, and at Hillyer's Cigar Store in Marshfield, Telephone 18-J. The service will connect with all boat and train schedules. The regular schedule is as follows:

Use Electric Roof Signs

They will be seen for miles and afford the widest and most attractive advertising obtainable for little expense. New York's sky line is ablaze at night with electric roof signs, which are seen by millions of people—in the street—in the harbor—on the elevated—on incoming and outgoing trains.

That electric signs are profitable to the advertiser is evidenced by the number already installed in Marshfield. There is room for many more. We can help you secure the location and our experts will be glad to design an effective installation for you. The cost of operation is surprisingly little.

Do You Leave Your Doors Unlocked?
You would not do that, and you should no more be without fire insurance. The open door would admit the burglar, and the burglar is just as insidious as fire. He plays no favorites, but attacks the insured and uninsured property alike. Don't risk your savings. Ours are the safest and best.
