

# LEFT BABES TO JOIN BURGLAR

**FIVE LITTLE CHILDREN OF CHICAGO MINISTER AWAIT RETURN OF MOTHER WHO WAS PARAMOUR OF SAN FRANCISCO GENTLEMAN BURGLAR.**

(By Associated Press to Coos Bay Times.)  
 CHICAGO, March 13.—Five little children of Rev. Nestor K. Clarkson were left motherless when the woman ran away with Owen Conn, the "gentleman burglar" now under arrest in San Francisco eagerly awaiting the return of "mamma" today, Clarkson having stated that he would "forgive and forget" if she would return in repentance. The woman is believed to be in Omaha.

**LIPTON STANDS PAT.**

Not Likely to Change Challenge for America's Cup.

(By Associated Press to Coos Bay Times.)  
 LONDON, March 13.—Sir Thos. Lipton said this afternoon that he would modify his challenge for the America's cup or that he would race with a ninety-footer. A definite decision on this point he said would be delayed until official notification that the challenge was rejected had reached him.

**CLARKE IS CHOSEN.**

Elected President Pro Tem of the United States Senate.

(By Associated Press to Coos Bay Times.)  
 WASHINGTON, March 13.—Senator James P. Clarke of Arkansas, a Democrat, was today elected president pro tem of the senate and was immediately sworn in and presided during the election of the other officers for the new congress. The vote was Clarke 41, Galinger, Republican, 18, and Clapp, Brastow and Borah, 1 each. Clapp voted for Brastow and Brastow for Clapp. La Follette voted for Borah.

**BREAKWATER TO LEAVE FOLD.**

Southern Pacific Steamer Will Find Berth for Future.

A Portland newspaper says: Further segregation of what was known as Harriman properties from common terminal facilities may apply to the steamer Breakwater plying between Portland and Coos Bay, which is owned by the Southern Pacific and has berthed for a long period at Ainsworth dock, but space she occupied, as well as that of her cargo is in demand. The steamer may be shifted to one of the docks between the bridges until the Southern Pacific property at the foot of Davis street is prepared for her accommodation.

With the Breakwater away from the Ainsworth dock, space will be available for steamers of the Hamburg-American line and as they will be in port but once a month, they will not interfere materially with the vessels of the "Big Three" Fleet. Details of the change have not been settled, but probably will be this month.

**SAFETY FOR SHIPS.**

New Wireless Device to Safeguard Coast Shipping.

PARIS, March 13.—Ships that feel their way along the coasts of France in foggy weather are to have the benefit of a new wireless "compass" which will enable them to ascertain, practically automatically, their correct position, and so steer a safe course.

The wireless "compass" permits the detection of the direction from which a wireless electric signal is sent, and the signal itself will designate the point of its origin. Sending stations are to be established at lighthouses and other points of vantage along the coast, and two already are in operation on small islands off the harbor of Brest. Signals from this chain of shore points will be sent automatically at regular intervals whenever fog prevails, and a vessel equipped with the receiving compass will be able to read the exact direction of the place of origin of these warnings. On the receipt of two such signals a ship will find it possible by simple process of triangulation, very readily to determine her exact position.

A great advantage of this system of safety at sea is the fact that the new compass is very cheap; furthermore it is self operating and does not require the attention of an operator. The next step will be to install two more sending stations near Havre, and others will be set up in due course until the entire coast is protected.

# IF YOU ARE A DRINKING MAN

You had better stop at once or you'll lose your job. Every line of business is closing its doors to "drinking" men. It may be your turn next. By the aid of ORRINE thousands of men have been restored to lives of sobriety and industry. We are so sure that ORRINE will benefit you that we say to you that if after a trial you fail to get any benefit from its use, your money will be refunded. When you stop "drinking," think of the money you'll save; besides, sober men are worth more to their employers and get higher wages. Costs only \$1.00 a box. We have an interesting booklet about ORRINE that we are giving away free on request. Call at our store and talk it over. Owl Prescription Pharmacy, Front St., Phone 74-J. Note that word "prescription."

**THE NEW TEACHER.**

(By Dr. Frank Crane.)  
 At the close of the first day of school the new teacher said:  
 "Now, children, listen, and I will tell you how I have marked you and give you my reasons.  
 "In the first place, I will explain that I do not mark at all upon how well you get your lessons. You may really know much more about the subject than you can tell. Besides you are not here to get lessons and pass examinations. You are here to grow. So I mark you upon how you show that you are making that kind of effort which forms character.  
 "Jimmy Fitch I have given a good mark because he was the only one in the room who asked what the word 'syndicate' meant. None of the rest of you knew. Why did not you ask? Asking questions is the best way to learn. Slurring over things you don't understand is the best way to become an ignoramus. If you are not curious it is a sign you are stupid.  
 "Etta Rogers gets a good mark because her finger nails are clean. And she is the only child here whose finger ends are not in mourning. You will find it quite as important when you grow up to have clean finger nails as to know algebra."  
 "Emma Montgomery is marked 'good' because when a button was torn from her dress playing at recess she took a needle and thread from her desk and sewed it on. Also she carefully picked up the orange peel she had dropped. I would rather have you all learn to clean up your own litter and look after your own clothes than to know how to spell every word in the dictionary.  
 "Willy Waters I have a high mark because when I asked him who Napoleon Bonaparte was he said, 'I don't know.' He probably had a vague notion, but he did not seek to deceive me. I want you, when you cannot tell a thing in plain words, not to hem and haw, but to say at once, 'I don't know.' To have an honest mind is better than having a stuffed one.  
 "Charles Stuart is commended because he stands up straight, sits properly in his seat and is not otherwise slovenly in his habits.  
 "When Jennie Jones failed in her spelling the word 'cholera' she went to the foot of the class with a smile and for that she gets a high mark. Some others of you pouted and sulked. There is nothing you can do that is so commendable as to be a good loser. Anybody can succeed pleasantly; it takes a noble nature to fall good naturedly.  
 "During the day six promises were made me by six pupils. Only one of them, Henry Clark, did what he promised to do. So he has a high rating. When you become men and women and get the habit of promising thoughtlessly and not keeping your word you will be a nuisance to all those who have to do with you. Do what you say you will do; that is better than being able to bound Illinois or tell the capital of Kamtchatka.  
 "Now you may run home children. And remember that in this school there are no rules but two: Do what you think is right and be cheerful. And in case you don't know, ask."

**DIFFER ABOUT HONOR.**

English Women Score Bachelor Who Has Been Bridegroom 10 Times.  
 LONDON, March 14.—Harvey Stapleton's pride in the possession of a gold medal presented to him by the ten grateful bridegrooms whom he has served as best man, has received a rude jar since the presentation was made public, or account of an avalanche of feminine criticism.

One woman avers that while Mr. Stapleton may have established a record, he has not made himself an ideal. She declares with scorn that the medal winner should have been given a leather instead of a gold medal, and continuing she says: "Fancy a man going about for years like that, taking part in other people's weddings and never having one of his own. Fancy a man going about for years singing, 'The Voice that breathed o'er Eden,' and then being content to go on living in lodgings, untouched by the romance and poetry of it all. I should think the presence of such a person would cast a gloom over any wedding. I am sure I do not see how any girl could expect her best friends to be bridesmaids, when there was to be an undertaker like that for best man."

**NO WINE AT WHITE HOUSE.**

All Intoxicating Liquore Will Be Barred.

WASHINGTON, March 14.—The Wilson administration will be "dry." This expression is used entirely in a sense that appeals to the inner man of the nation and not necessarily to those who look for stereotyped methods of government. It became known that President Wilson and his family, all of them, are averse to the use of liquor or wine in any form. Intoxicating liquors will have no place in the White House during the next four years unless the president's views undergo sharp change.

The premier in the president's cabinet, Secretary of State Bryan, as is well known, has been a prohibition advocate for many years. On one occasion Mr. Bryan would have made it a national issue and it was due to his efforts that the prohibition legislation in Nebraska was put into effect.

It is well known that Speaker Clark is a teetotaler and has been for many years. The fact that a large portion of the Democratic majority in the senate and house is from the south, where prohibition is general, makes certain the fact that there will be little wine and less wassail than has been known in Washington for many years.

**EX-SENATOR BOURNE TO SERVE WITHOUT PAY**

WASHINGTON, March 14.—Ex-Senator Bourne does not belong to the lame duck brigade. He will serve for another year, it is true, as a member of the commission on federal aid to post roads, and also on the commission to inquire into the readjustment of railway mail pay, but in drawing up the conference report on this item he made it read that members of congress retiring from office who continued on the commission should receive no pay. One other ex-senator besides Bourne will come under this provision—Richardson.

**"BOILED SHIRT" FORCE AT FLORENCE MILL.**

FLORENCE, Ore., March 14.—All the "boiled shirt" employees of Porter Bros. mill here are now on hand and consist of a superintendent, assistant superintendent, foreman, attorney and bookkeeper, a number that mildly surprised the people of Florence, who believe that if the usual ratio of brains to muscle is kept, everybody will certainly have a job.
