## PROGRESS IN GAS RANGE MANUFACTURE

Each year manufacturers of gas ranges announce some new improvement in their product—an added convenience—a touch of luxury.

These refinements do not increase the price of ranges—you simply get more for your money. They do not make the ranges cook better nor more economically. It is merely the efforts of the manufacturers to keep pace with the public demand for additional ease and comfort.

Your present gas range will cook and bake just as well and just as economically as any of the new ones—but if you have not been cooking with gas and have no gas range, don't fail to stop in at your dealers and see the 1913 models.

"Valentine State" Suggested in Recognition of Admission Day.  
(From Oregonian)

With other loyal Oregonians I have felt a keen interest in the perennial discussions as to a suitable pseudonym for Oregon, and I think our state has a unique opportunity to choose a name both significant and appropriate.

Oregon was admitted to the Union February 14, 1859. Why should she not be "The Valentine State?" Beside designating the most important date in her history, the idea of a gift is conveyed—and, certainly, everyone familiar with Oregon's marvelous diversity of resources will agree that she contributes richly to the wealth of our nation.

The term "Webfoot," as evidenced by dozens of letters from eastern sources, has given widespread impression that the rainfall is excessive and never-ending. "I am told it rains all the time there," is a phrase of frequent occurrence in these communications. "Webfoot" may appeal to us locally, but it carries perverted meaning abroad.

As for "Beaver State," Oregon has no monopoly upon the beaver, and many other states are named for game or fish, as "The Badger State," "Sucker State," "Wolverine State." There is nothing truly distinctive in the name.

February 14 is the birthday of no other state than Oregon. Her rechristening, should the idea prove an appealing one, would be soon accomplished with the compelling co-operation of state officials in official publications, the press, commercial organizations and civic bodies.

Again, why not "The Valentine State?"

**Causes Much Disease**  
Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexal Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

Rexal Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three sizes, 25 cents, 50 cents and \$1.00.

You can buy Rexal Dyspepsia Tablets in this community only at our store:

L. R. Alderman Guest of John D. Rockefeller, Jr., in New York.

PORTLAND, March 19.—L. R. Alderman, superintendent of schools for Oregon, who is now in the East, is the guest of John D. Rockefeller, Jr., when in New York. Mr. Rockefeller wrote to Mr. Alderman some time ago, saying he wished to have him as his personal guest when he was in the East.

Mr. Rockefeller became interested in Mr. Alderman through a report filed by the Oregon school superintendent on home credit system, some time ago. He read the report, after which he expressed the desire to become personally acquainted with the writer.
