WANT NEW ELECTION.

A petition, signed by 122 legal voters of school district No. 8, praying that, on account of irregularities in the recent election another school election be held, has been presented to the board of education through Clerk Snuford and will have consideration in the near future. The petition carries the signatures of many representative citizens, who claim that there was no expression of opinion between the two sites proposed and also that a number of illegal votes were cast.—Coquille Sentinel.
