

VOU know how you like to look; come in here some day, put one of our new models in fine suits Hart Schaffner & Marx made, and look at yourself in the glass. You'll see yourself as you'd like to have others see you.

You needn't feel under any obligations to buy anything; just tell us you want to look at them; we'll help you every way we can to get a good view of yourself.

> These clothes are tailored-'to-fit. They're best for you to buy. See what we have at \$25. We have them at less; and more.

Dayton Motorcycles

That's the nickname for the Dayton in Portland

and several of the best riders in Marshfield assure

me that it is appropriate—ask them. I don't care

to give their names—but ask some of the good rid-

ers if they have been on the Dayton and what they

Personally, all I know about motorcycles is, that

This I do know, however, that the Daytons have

strong features—from handlebars to mud guards.

The handlebar grips can't break off like others.

The motor is something that will appeal to any

mechanic, and every part that I have seen seems

like a German Band, while moving along, nor will

I claim that one can be run 2000 miles on 10 cents,

as one of the other dealers claims for his machine,

but the Marshfield Cyclery guarantee will protect

every buyer of a Dayton, or any other article sold

Next Sunday we will be pleased to try our ma-

We never exaggerate in our advertising. We

We now have in our employ a man who knows

motorcycles from A to Z and who is no knocker

and we solicit repair work on any make of machine
