MINING IN CURRY.

Plans made to develop Ore Deposits There

The Gold Beach Globe says: Heavy machinery patterned after his own ideas for the reduction and extracting the gold from the black sand and iron rock is now being transported over the mountains from Westfork for E. I. Kennedy, superintendent of the Euchre Creek Mining and Milling Company, located at Solitude bar. The ma-chinery now being installed is what might be termed a mechanical eras-It is so constructed that it grinds and scours the concentrates which at the same time is chemically treated and the gold caught on copper plates as it goes out of the machine. The machinery which is too heavy to be carried on a mule is now being hauled piece at a time on small sleds over the mountain, which they hope to have on the ground by April

Elmer Miller of Pistol River and W. W. Williams of Oak Flat, last week gave a working bond on their valuable copper mine on Indigo Creek, to H. S. Wooley. This we believe is the first active start towards the development of the largest copper district in the northwest and is only a start to what is to follow in the near future.

FORGER IS CAUGHT. EUGENE, March 21.—Arthur Taylor, the most wanted and very cently victimized the unwary citizens all up and down the Willamette valley, has at last fallen into the law's clutches. A brief wire to Sheriff Parker from Chief of Police D. A. White of San Francisco announced his arrest.

So uniformly successful has OR-RINE been in restoring the victims of the "Drink Habit" into sober and useful citizens, and so strong is our confidence in its curative powers, that we want to emphasize the fact that ORRINE is sold under this positivo guarantee. If, after a trial, you get no benefit, your money will be refunded. ORRINE costs only \$1.00 per box. Ask for Free Booklet. Owl *Prescription Pharmacy, Front St., Phone 74-J.
