

DAYTON FLOOD NOT SO SERIOUS

(Continued from Page 1.)

ing, reported several times destroyed by fire, is untouched by the flames, although the building immediately adjoining burned.

Fire loss is positively limited to destruction of the Dayton Gas, Light & Coke Company's plant, row of two and three story buildings on both sides of Third street from Jefferson street to St. Clair avenue, the Troy Pearl Laundry plant and two apartment houses are on fire on the West Side.

Thwart Robbery.
A daring robbery was thwarted today when police arrested a man escaping from the city with a satchel containing \$50,000 worth of diamonds and jewelry stolen from jewelry stores.

Few Dead in North Dayton.
(By Associated Press to Coos Bay Times.)

SOUTH DAYTON, Ohio, March 28.—Comparatively few dead were found in North Dayton today by the Louisville Life Saving crew, the first to cross the Miami into that section where it was thought there was a heavy loss of life. Indications there and in Riverdale are now that the total loss of life will be not more than two hundred.

Epidemic Feared.
(By Associated Press to Coos Bay Times.)

SOUTH DAYTON, Ohio, March 28.—The loss of life in the Dayton flood is not more than 200 people. This was the general agreement here after the government life saving crews had penetrated every part of the water bound city. Up to the present time 45 bodies have been recovered. Twenty of these were in Riverside, fifteen in West Dayton, five in the business section and five in the south side residence section. Three deaths from diphtheria have been reported and there is fear of an epidemic.

Peru Situation Improved.
(By Associated Press to Coos Bay Times.)

SOUTH BEND, Ind., March 28.—The situation in Peru is today much improved. The waters are fast receding. It is said that the dead will not exceed fifty and some estimate the number as low as twenty-five.

(By Associated Press to Coos Bay Times.)

COLUMBUS, Ohio, March 28.—At daybreak today, hundreds of rescue and relief parties started for the flood section with supplies of clothing, food and fuel. The day dawned crisp and cold, but clear with indication of coming warmer weather. Refugees suffered greatly last night from the cold.

The river is receding rapidly and rescue parties will be able to reach many inundated sections on the west side, which were under water yesterday. West Columbus remains practically under martial law. Militiamen were ordered to shoot looters on sight.

200 Bodies Rescued.
(By Associated Press to Coos Bay Times.)

CELINA, Ohio, March 28.—Waters have receded in Piqua and two hundred bodies have been recovered. It is believed there are no other victims.

Celina Reservoir Safe.
(By Associated Press to Coos Bay Times.)

ROCKFORD, Ill., March 28.—The Celina reservoir was declared out of danger today. No fatalities are reported. Waters are receding.

Much Distress in Dayton.
(By Associated Press to Coos Bay Times.)

CELINA, Ohio, March 28.—This information, the first direct information to reach here, came by telephone today. Relief measures have been taken by city authorities. Property loss is great as most of the manufacturing plants have been destroyed. There is no such distress in Piqua as in Dayton. There is a company of militia in Piqua.

Much Suffering.
(By Associated Press to Coos Bay Times.)

INDIANAPOLIS, Ind., March 28.—Groups of half a dozen half starved refugees are being found in isolated parts of flooded West Indianapolis today, but investigation trips revealed no bodies.

RELIEF AT ZANESVILLE.
Water Lower and Organized Relief Work Done.
(By Associated Press to Coos Bay Times.)

ZANESVILLE, Ohio, March 28.—The river began receding rapidly today and 10,000 homeless saw a ray of hope. Warmer weather is predicted. Soldiers are entering the city and provisions have arrived within four miles of the city.

Your Child's Health • Your First Thought

If you have children, naturally your first thoughts are for their health. You certainly want them to develop strong, healthy constitutions. The most careful attention must be given when children show the first symptoms of the many common ailments. Perhaps they are weakly and thin, or grow too fast, thus sacrificing strength. These and other apparently minor ailments may be the forerunner to a weak constitution for life.

Such children need Jayne's Tonic Vermifuge which is essentially a children's tonic. First of all, it will properly care for the child's stomach. It will also improve the appetite, and will add strength to the other organs of the body. In cases of thin or impure blood, it increases the number of red corpuscles enabling the enriched blood to keep the body healthy and strong.

Among the most common ailments that children develop is that of a disordered stomach, leading to an impaired digestion. In many cases this trouble is due to parasites in the intestinal tract. To correct such trouble, Jayne's Tonic Vermifuge is unsurpassed.

For more than eighty years millions of children have been restored to health through the use of this tonic. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

BOLT MEETING AT NORTH BEND

Declaring that they would not stand for more than two hired players in each team, Chas. Baxter and C. Evland, representing Coquille and Grover Brown, representing Myrtle Point, withdrew from the meeting called at North Bend last evening to organize the Coos County Baseball League. They stated that they had been instructed by the supporters of baseball in the two towns that they wanted home talent teams.

Their action followed a vote on the matter, Bandon, Marshfield and North Bend voting to limit the imported players to five. Following the walkout of the valley town representatives, the others remained and decided on a three-city league, composed of Bandon, Marshfield and North Bend.

The question of limiting the number of imported and salaried players brought forth quite a discussion. Bedillion was in favor of anything except all home talent. Kismam wanted it to be wide open so that all the men necessary could be hired. Brown of Myrtle Point said that Myrtle Point couldn't support more than two salaried men. Hull said that it was immaterial to North Bend. I. R. Tower took the position that the importance of home players didn't count, that the added interest in fast ball would pay for extra players and he suggested that Myrtle Point and Coquille unite in supporting one fast team.

However, an effort will be made to have Myrtle Point and Coquille reconsider their action and another meeting will be called in a couple of weeks when the matter will probably be brought up again.

Henry Kern of North Bend was unanimously elected president of the league and O. Briggs secretary.

It was decided to not open the league season until about the middle of May, probably May 15, owing to the likelihood of unfavorable weather before that date. Denny Hull, Wm. Schrock and O. Briggs were named a committee to draft preliminary schedule to be considered at the next meeting of the league. Messrs. Kern and Briggs will probably draft a set of rules and by-laws for the organization by that time, also.

Those present at the opening meeting, which was held in North Bend Commercial Club rooms were: R. E. L. Bedillion and Chas. Page of Bandon; Denny Hull, Jeff Hartman, Wm. Schrock, Henry Kern and Kismam of North Bend; I. R. Tower, O. Briggs, and Joe Schott of Marshfield; Grover Brown of Myrtle Point; and Charles Baxter and C. Evland of Coquille. Other North Bend men also dropped in at the meeting.

Bandon, Marshfield and North Bend felt that a better article of ball would have to be put up than home players could furnish if we could hope to draw good crowds and make the league a success," remarked Denny Hull of North Bend today. Mr. Hull has been elected captain of the North Bend team. "With a limit of two imported players, it would be hard to get fast ball and so we held out for at least five. I think that Myrtle Point and Coquille fans will realize this. If they have fast enough home players, all right, but the towns that haven't ought to have the right to get them."

R. E. L. Bedillion talked in favor of Saturday games instead of Sunday owing to the church people opposing the Sunday games. Each team will be required to furnish a bond or note guaranteeing that they will play out the season. President Kern was given authority to appoint umpires.

OLLIVANT & WEAVER for all kinds of FRESH FRUITS and VEGETABLES.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots.

The woman with tender skin dreads February and March because they are likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle.

Fortunately for her peace of mind, the recent discovery of a new prescription, othine—double strength, makes it possible for even those most susceptible to freckles to keep the skin clear and white. No matter how stubborn a case of freckles you may have, the double strength othine should remove them. Get an ounce from any druggist and banish the freckles. Money back if it fails.

WILL BUILD NEW HOUSES

Secretary John Motley of the Chamber of Commerce desires to secure the names of Marshfield people who wish permanent homes. One or two building companies are figuring on locating here but wish to know the extent of the demand for permanent homes. People who would be willing to build and buy on a small payment of \$300 to \$500 down are requested to send or leave their names with Secretary Motley.

Attend SWEDISH LUTHERAN LADIES 25-CENT SUPPER at the church hall Saturday, March 29, beginning at 5 o'clock.

BAND DANCE at Eagles Hall, SATURDAY night, MARCH 29.

Hints on Hair Health

If you use our treatment, we will either stop your hair from falling or pay for the treatment ourselves.

Dandruff is a contagious disease caused by a microbe, which if not removed causes baldness. This microbe often comes from a comb or brush belonging to someone else.

If you are troubled with dandruff, itching scalp, falling hair, or baldness, we believe that Rexall "93" Hair Tonic will do more than anything else to remove the dandruff, destroy the germ, make the scalp healthy and stop falling hair, and, if there is any life left in the roots, also promote growth of new hair.

We believe that probably 65 per cent of the cases of baldness could be overcome if people would only use Rexall "93" Hair Tonic for a reasonable time, as directed.

We don't want you to take our word for this. We want you to test the merits of Rexall "93" Hair Tonic at our risk. If you use it and it does not give satisfaction, just come back to us and tell us, and we will immediately hand back to you the money you paid for it. You promise nothing, sign nothing and your mere word will be taken for it.

We are dependent upon your confidence and patronage, and we would not make these claims, or make this offer if we did not believe that Rexall "93" Hair Tonic is the very best hair preparation you can use. Two sizes of bottles, 50c and \$1.00.

You can buy Rexall "93" Hair Tonic in this community only at our store:
