

DOOMED

Entire Stock Unmercifully Slaughtered

The greatest slaughter of Clothing, Shoes, Hats and Furnishings, in the history of the mercantile world, will commence Thursday, April 3rd, at The Bazar Store. We are compelled to immediately slaughter these goods away. We must close out our entire stock by April 15th. Thousands of dollars will be saved by the people of Marshfield and vicinity who buy at this gigantic slaughtering of Merchandise, Hats, Shoes and Furnishings to be piled out on tables, counters and hanging from the ceiling. The store is a paradise of Bargains that will gladden the hearts of many a family for months to come. Be here early Thursday and stay all day, and come every day after and buy your wearing apparel for months to come at such low prices that will stagger all competitors. We have been using outside floor space to carry a reserve stock of groceries. And on April 15th we must turn our entire room into one big grocery store. Again we caution you to come here and buy at this big money saving event, it may never happen again. Follow the crowds of busy bargain hunters who know a dollar saved is a dollar earned. Read every item, we guarantee them all.
