Mail Route Contractor Orders a Carload of Machines.

The Portland Telegram says C. P. Barnard, Star Route contractor on the Roseburg, Myrtle Point mail route, spent the week in Portland, replenishing his supply of automobiles. Mr. Barnard is conducting probably the most careful, broad-minded experiment in automobile staging in the Pacific Northwest. He operated out of Roseburg all last year, two National cars and three Buick cars. The Nationals carry special bodies for the accommodation of both passengers and mail, while the Buicks were confined to the passenger service. While here Mr. Barnard took delivery from the Howard Automobile Company of a carload of Buicks, including a 40 horsepower touring car for his personal use, and two 25 horsepower touring cars for which he had orders from customers in Roseburg.

PORTLAND LIVESTOCK MARKET.

Receipts for last week were: Cattle, 1312; calves, 38; hogs, 2103; sheep, 2783; horses, 33. Cattle: Market steady to shade firmer. An excellent demand prevailed for prime beef. Top sales this week were made at \$8.00 to \$8.25, while bulk of steer offerings graded good to choice and realized \$7.60 to \$7.80. Butcher stuff is equally strong, notably heifers and cows. There has been slim showing in the stuff supplies, but packers gave higher bids for the few fancy head on hand. A small lot of Prineville spayed heifers selling at \$7.75 featured. Best cows at \$7.25; bulls \$6; stags, \$6.75 and calves at \$9 represents price range.

The hog market has been a sensation all week. Clearing 10c to 20c, it finally settled to \$9.55 Wednesday. This price range breaks all records since 1910. Bulk of sales have averaged \$9.20 to \$9.40. Outlet considerably broader than supplies as demand has been increased while bulk of country swine has been marketed. Also Missouri River points continue high and all coast packers are buying pork in Portland.

A steady to firm mutton and lamb market featured principally by one of the smallest runs of the year. Wool yearlings sold up to \$6.75 and ewes, \$5.75, sheared stuff brought \$1 less. Demand for choice and fat muttons is steady and unsatisfied Lamb trade reached the \$8.00 level as expected, several lots of prime wool stuff brought this price. PORTLAND UNION STOCKYARDS COMPANY.
