Dayton Motorcycles

"Nothing Succeeds Like Success"

WE WANT YOUR BUSINESS because of the success we have attained.

"Humbug" may succeed in tents and on street corners, but it takes quality and service to pull us through in brick buildings.

We offer you Juvenile Bicycles with steel rims. Can you get them elsewhere?

Our Coos Queen Bicycles at \$28.50 are good enough to carry our trade mark.

Our Coos King Bicycles at \$30.00 are good enough and strong enough to carry any man in Marshfield.

These Bicycles are made by the same factory which makes the Dayton. Have you ever heard of Dayton Bicycles? They average about six to the block in Marshfield.

The Dayton Motorcycle is made by the same people and for power, simplicity and ease of handling, is said by many riders to be the best in Marshfield.

Our Motorcycle expert is admittedly a REAL expert and motorcycle repairing will from now on be part of our business.

WE NEVER EXAGGERATE, we never intentionally misrepresent anything and we try to treat our customers so that they will come again and recommend us to their friends.

REPEAT SALES are what we are after. We seldom make anything on our first sale. That only pays for our advertising.

3 Wheels to One Family **2 Wheels to One Business Concern**
