

## REED FOR BAR DREDGE MASTER

Former O. R. & N. and Port of Portland Employee—Relative of Warren Reed.

Capt. John C. Reed, formerly tug-boat captain for the O. R. & N. Railway, and later with the Port of Portland boats, is an applicant for captain of the bar dredge P. S. Michie, which is being built at Puget Sound for the Coos Bay bar work. Capt. Reed is a relative of Warren Reed, of Gardiner. It is understood that he is likely to secure the place as he is highly recommended. Capt. Maegenn of the Breakwater, being among those endorsing him for the position. The Michie is expected to be ready for service here along in July.

No definite soundings are said to have been made on the bar recently as to the shoals, the weather being a little rough for accurate soundings. However, it is stated that the Nann Smith in crossing out yesterday touched some of the shoals but not badly.

The Port of Coos Bay Commission expects to ascertain definitely soon what can be done about its project for starting the jetty work under the direction of the United States Engineers. The bond money will soon be available and at the next meeting of the Commission as will be outlined in a letter from Major Morrow will probably be considered.

**CHICAGO IS DEMOCRATIC.**  
CHICAGO, April 4.—Democrats swept Chicago in Tuesday's municipal election, returning 22 Aldermen and the Superior Court Judge. City Clerk and City Treasurer, Republicans elected 11 Aldermen, Progressives three, and Independents one. The Progressives had candidates in every ward, but failed to show strength, being outvoted by the Republicans by nearly 3 to 1. The single independent candidate to be elected is Alderman Merriam, a professor at the University of Chicago and until recently a Progressive leader.

## FAST SCHEDULE IS POSTPONED

Breakwater Will Not Start 5-Day Service to Coos Bay Until May 2.

The Breakwater will not go on the five-day schedule between Coos Bay and Portland until May 2, according to announcement made by Supt. W. F. Miller today. The postponing of the inauguration of the fast schedule resulted from the unfavorable weather conditions.

It has been planned to put her on the fast schedule next week but the recent storm caused a change.

Supt. Miller will leave tomorrow on her for Portland. She will undergo annual government inspection there next week.

It was also proposed to put her on dry dock there next week but this will probably be postponed, the continuous rains making the painting of the exterior of the hull impractical. Some other minor changes are also to be made in her.

In consequence the Breakwater will continue to leave Portland Wednesday mornings and Coos Bay on Saturdays until May 2.

She will sail at 9 o'clock tomorrow morning.

### Along the Waterfront.

Capt. Maegenn, of the Breakwater, reports that on the trip down the Breakwater encountered a 50-mile southeast gale. After they passed Yaquina, the storm was not so bad. The Breakwater has a new third mate this trip, he having formerly been a member of the crew on the Beaver.

The Hugh Hogan is taking in a cargo of three hundred tons of coal at the Libby bunkers for the Florence Jetty contractors, Anderson & Johnson, whose former cargo was lost when the barge was lost on the Siuslaw bar a couple of weeks ago.

The Rainbow will resume her North Coos River run tomorrow. She had her trial trip last evening, after being repaired and was pronounced in first class condition.

### For Hair Health

If Recall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We would not so strongly endorse Recall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.

If your hair is falling out or you suffer any scalp trouble, we believe Recall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency.

We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Recall "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it.

We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Recall "93" Hair Tonic, and our honesty of purpose in recommending it to you?

Recall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and \$1.00. You can buy Recall "93" Hair Tonic in this community only at our store:

## MERIT DESERVES REWARD

The incentive for excellence is the expected reward of merit.

If the commonplace were as profitable as the ordinary there would be no motive for extraordinary effort.

This store strives twelve months in the year, always aiming at perfection yet realizing that it is unattainable; but the effort results in the finest stock of clothing obtainable.

If there be defects it is because the art of clothes-making has not yet reached its zenith. But surely any man can be satisfied when he has the choice of the best produced.

Such clothing as we sell naturally gives an idea of high prices, but investigation shows how erroneous a hasty judgment is, for we have excellent suits for as little as \$16.50.
