OFFICIAL PAPER OF THE CITY OF MARSHFIELD.

Kindness every time beats knocking:
Mirth is better than a frown.
Don't waste your time a-knoocking
Poor devils who are down.
And it's not quite so distressing,
If you'll give a little boost
To the ones the fates are pressing,
When the chicks come home to roost.
—R. R. Trainman.

Along the Waterfront.

A Portland paper says:
"On her initial voyage from the Columbia River the steamer Grace Dollar, which was recently completed and made a trip from the Coquille River to San Francisco, left Kalamazoo for Los Angeles with 1,000,000 feet of lumber. Robert Dollar, head of the steamship corporation bearing his name and owner of the Grace Dollar is at Coos Bay."

The Tillamook, which has been lying here since Friday to escape the storm, crossed out for Bandon this morning and reached there soon afterwards. She is from Portland.

The Washington arrived in today from San Francisco with a cargo of freight. The Oregon arrived at Bandon this morning. There was no foundation to the rumor that the schooner had been in trouble.

The Redondo will sail from San Francisco tomorrow for Coos Bay.

The Alliance is due in tomorrow from Portland.

The Adeline Smith is due in about 5 o'clock tonight and the Nann Smith is due in early tomorrow.

CONGRESS IS IN SESSION

(Continued from Page 1.)

Members were sworn in and the organization perfected. Representative Henry introduced a bill to have homes for American diplomats in foreign capitals. A resolution to change inauguration day to April, by constitutional amendment, was introduced by Henry. The Progressives were recognized by the assignment of Representative Murdoch to the Ways and Means Committee and Chandler to the Rules Committee. Underwood introduced a new tariff bill, which includes an income tax provision and provides for a reduction of duty in many articles and placing others on the free list.

In the Senate.
(WASHINGTON, D. C., April 7.—The Senate met at noon and organization was perfected. L. Y. Sherman, of Illinois, and Nathan Goff, of West Virginia, were sworn in. Senator Hitchcock introduced a currency bill.

CONFERENCE PROGRESSIVES
New Party Members in Congress Consider Their Program.
(WASHINGTON, D. C., April 5.—The progressives continued their conference today. The conference took up the reform of the rules of the House and a tentative draft of amendments to be proposed was prepared. After the conference the progressive committee on committees conferred with the majority leader, Underwood, who announced later that he had agreed with the progressive party that they were entitled to a proportionate share of committee assignments independent of the Republican majority. This would include, he said, probably one place on the ways and means committee and one place on the rules committee.

MARKET NEWS OF THE WEEK

Southern Strawberries Reach Oregon—Prices of Fruit, Vegetables, Poultry, Etc.

PORTLAND, Or., April 7.—The Telegram says: Strawberries have arrived. The first of the season's offerings came in last week, from Louisiana, and, according to distance they were carried, the berries put up a very good appearance when they reached the Portland market. As usual with the first of the spring fruits, they are selling at a rather high price—25 cents a box—but in all probability there will be plenty of the fruit in the market at a much lower figure before the end of this month. Shipments from California are expected within a few days.

In other fruit lines the market as yet shows little change. Apples are still the big factor, overshadowing everything else, and are going at the lowest prices here in many years. The dealers, wherever possible, are selling apples by the box, their chief aim being to get the burdensome surplus of the fruit out of the way before the spring fruits take possession of the market, and they are quoting prices calculated to move them. At many of the stores apples of good quality are available at 75 cents to \$1 a box, while fancy Newtowns, Spitzenbergs and other sorts are to be had at \$1.25 to \$2. Common to fair grade apples are going almost at buyers' prices.

Florida grapefruit of good quality is retailing at the rate of two for a quarter and fancy oranges are going at 40 to 60 cents a dozen.

At the vegetable stands asparagus now is one of the leading features, the supply last week being much greater and prices as a consequence have declined. Fancy California asparagus, put up in attractive shape, is selling at 25 cents a bunch, while very good stock, in bulk, is going at 8 to 12 1/2 cents a pound. The market will be well supplied with this commodity through this time on.

Rhubarb also is much in evidence, and will be plentiful soon. The best of the stuff now is selling at 10 cents a pound. Tomatoes are still a bit costly, fancy local hot-house products retailing at 50 cents a pound, while the Florida article holds at 25 cents. Bermuda onions are available at 15 cents a pound and green peas at the same price. New potatoes from Florida and California are to be had at 10 to 15 cents a pound.

In the fish market there is about the usual variety and prices this week have undergone but little change. Fresh Chinook salmon holds at 25 cents a pound, while black bass is available at 40. Halibut retails at three pounds for a quarter, whitefish at 20 cents, dressed at 12 1/2, roe shad at 15, cropples at two for 25 cents, perch at two pounds for 25 and salmon trout at 25. Columbia River smelt hold at four pounds for a dime. Crabs are going at 12 1/2 to 20 cents apiece, razor clams at 4 cents a pound.

Poultry dealers report the market all but bare of ducks, geese and turkeys. Hens of good quality are to be had at 25 cents a pound and good broilers are retailing at prices around 75 cents apiece. Butter holds at last week's quotation, 45 cents a pound, and strictly fresh local eggs are retailing at 30 cents a dozen.

Portland Livestock Market.
Three loads of fair to good grade steers sold at \$7.65 to \$7.90, while a few less desirable steers were turned over at \$7.50. Prime, well finished steers were held to be worth \$8 to \$8.25. Two loads of prime cows were disposed of at \$7 and fancy lightweight calves found ready sale at \$9. As usual, dealers reported a good demand for quality beef stuff.

In the mutton division the only

transactions reported were the sale of two bunches of wethers averaging from 97 to 102 pounds in weight at \$6.50. On the whole the market on sheep and lambs was regarded as steady to firm at the prices last quoted.

Considerable pork stock changed hands during the first half of the day, but \$9.65 was the best price paid and that figure generally was counted the limit.

AMONG THE SICK.

Will Hennessey, son of Mr. and Mrs. Pat Hennessey, who sustained a dislocated shoulder by falling through a trestle at the Smith-Powers mine on Isthmus Inlet is getting along nicely.

Steve Stamos, a Greek laborer from Marshfield, underwent an operation for appendicitis at Mercy hospital this morning. The appendix had burst and gangrene set in, making the case a most unusually severe one.

MARSHFIELD DRUGGIST MAKES A STATEMENT.

We always advise people who have stomach or bowel trouble to see a doctor. But to those who do not wish to do this we will say: try the mixture of simple buckthorn bark, glycerine, etc., known as Adler-I-ka. This simple new remedy is so powerful that JUST ONE DOSE usually relieves sour stomach, gas on the stomach and constipation QUICKLY. People who try Adler-I-ka are surprised at its QUICK action. The Easy Laxative
In justice to yourself you should try Rexall Orderlies,—your money back if you don't like them. They are a candy confection that really do give easy relief from constipation.
Good health is largely dependent upon the bowels. When they become sluggish the waste material that is thrown off by the system accumulates. This condition generates poisons which circulate throughout the body, tending to create coated tongue, bad breath, headache, dull brain action, nervousness, biliousness and other annoyances.
Avoid harsh cathartics and physics. They give but temporary relief. They often aggravate the real trouble. They are particularly bad for children, delicate or aged persons.
Rexall Orderlies
Come in tablet form, taste just like candy and are noted for their easy, soothing action upon the bowels. They don't purge, gripe, cause nausea, looseness, nor the inconvenience attendant upon the use of purgatives. Their action is so pleasant that the taking of Rexall Orderlies almost becomes a desire instead of a duty.
Children like Rexall Orderlies. They are ideal for aged or delicate persons as well as for the most robust. They act toward relieving constipation, and also to overcome its cause and to make unnecessary the frequent use of laxatives. They serve to tone and strengthen the nerves and muscles of the bowels and associated organs or glands.
Make Us Prove It
We guarantee to refund every penny paid us for Rexall Orderlies if they do not give entire satisfaction. We ask no promises and we in no way obligate you. Your mere word is sufficient for us to promptly and cheerfully refund the money.
Doesn't that prove that Rexall Orderlies must be right? You must know we would not dare make such a promise unless we were positively certain that Rexall Orderlies will do all we claim for them. There is no money risk attached to a trial of Rexall Orderlies, and in justice to yourself, you should not hesitate to test them.
Rexall Orderlies come in convenient vest-pocket size tin boxes; 12 tablets, 10c; 30 tablets, 25c; 80 tablets, 50c.
CAUTION: Please bear in mind that Rexall Remedies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:
