Concert Sunday.—The Coos Bay Concert Band will give a public concert at the Masonic Opera House Sunday, April 13, at 2:30.

Price Given.—The price paid by Mr. Craig for the Burghagen property at Bunker Hill was \$2100. Through a typographical error, the price printed yesterday was erroneous.

Improve Camp.—Foreman E. L. Pierce of the Tar Heel camp of the Simpson company is busy himself making improvements there. He is not getting out logs for a few weeks, while getting things ready for a big run.

Family Arrives.—Manager Paul Dimmick of the North Bend mill returned yesterday from Gardiner, where he went to meet his wife and father, who arrived from Eureka, Cal., to join him. They will reside in North Bend.

Buy Logs.—It is understood that Manager Dimmick of the North Bend mill, which is being rebuilt, has contracted for about 2,000,000 feet of logs from Henry Hoeke's camp at Smith's basin. He is now figuring on buying some other tracts of timber on tidewater.

Mr. Golden is now at Mercy hospital in North Bend. This is Mrs. Kennedy's first visit here in quite awhile. It is possible that Mr. Golden may accompany her home and make his home with her in Bandon.

Speedwell In.—The Speedwell reached San Francisco safely yesterday but no details of her trip have been received here other than were given in The Times yesterday. Agent Sengstacken was notified from Bandon that she was safely in port. Jack Carter received a telegram from Chief of Police D. A. White of San Francisco saying his little son, Jack, had reached there safely and would leave on the Speedwell yesterday for San Pedro.

Returns After Years.—This morning a stranger stepped into Tom Hall's office. Mr. Hall thought he knew him but could not call his name and when the stranger told him it was Herman Klahn, Mr. Hall remembered him, although Klahn left here in 1879 and has since been in Portland and Astoria. He came to Gardiner to look after property and while there learned that his brother, Ferdinand Klahn, had died at Empire a few months ago and came on down here.

Build Hotel.—B. R. Keller, who has just returned from a business trip to Florence, reports that George Schroeder, formerly of this locality, has organized a stock company to build a 3-story modern hotel there. The lumber is on the ground and it is hoped to have it completed before many months. There will be eighty guest rooms, some in suites and with baths. Mr. Schroeder is now operating the old hotel and the new one will be just above it. Mr. Keller reports that the Siuslaw country is booming. The bad weather has been handicapping railroad work.

Buying a Typewriter?

If so, it should be an Underwood. The Underwood holds all the world records for speed, accuracy and durability and there are more of them in use than all other visible combined. That is why the U. S. Government, the Western Union, U. S. Steel Co., and other big corporations buy Underwoods exclusively.

C. L. STOCKIN, the Underwood man, is at The Chandler, and would be pleased to give you a demonstration.
