

# When You Buy Your Suit This Season

Just remember that you're probably going away on a vacation some time during the summer. You'll want a suit that not only looks well when its new and fresh, but that has the quality and style, and above all the tailoring that will keep it looking well all summer.

## Hart Schaffner & Marx

clothes are made that way; lively styles, advanced styles, the best of all-wool fabrics, the highest type of good tailoring. If you take any sort of care of such clothes by pressing them and changing to another suit occasionally, they'll be good for several seasons.

\$25 is a good easy price. We have lower and higher prices.

## Woolen Mill Store

This store is the home of Hart Schaffner & Marx clothes.

# LOCAL NOTES

## SOCIAL CALENDAR

FRIDAY  
Ladies' Art club with Mrs. A. L. Houseworth.

ing passengers on the Drain stage tomorrow morning.

**Attend Services**—The local branch of the Royal Neighbors of America Lodge will attend the First Baptist church in a body next Sunday evening as the guests of the Baptist church.

**Give Dance**—The Woodmen have made elaborate plans for the dance which they will give Saturday evening at the Eagles Hall and it is expected that a record breaking crowd will be in attendance.

**Gets Judgment**—The jury in the auto damage case of Jerry Kinney vs. D. L. Foote in Justice Penneck's court yesterday brought in a verdict of \$178 for the plaintiff, who was suing for \$205. It was charged that Foote's auto caused Kinney's machine to collide with a bridge.

**Services Later**—Most of the Marshfield Protestant churches have arranged to hold their Sunday evening services a half hour later, beginning next Sunday. The new hour of service will be 8 o'clock and it is expected that this will be adhered to during the rest of the summer.

**Daughter Graduates**—Jas. Watt is expecting his daughter, Miss Elma Watt, here soon from Portland, where she will soon graduate in the 1913 class of nurses from the Good Samaritan hospital. After a visit with her father, here, she will probably go to Chicago to take post graduate work.

**Take Evidence**—More evidence is being taken today in the case of E. W. Bernitt vs. the Smith-Powers company, involving the Coos River boom ownership. This case has been pending for a long time and much evidence has been taken at intervals, before Miss Annie Smith, as referee.

**Attend Meeting**—Mrs. J. E. Burkhardt and Mrs. E. J. Kettinger will leave for Medford tomorrow morning via Drain, where they will attend the Women's Presbyterian Society of Southern Oregon, which convenes in Medford on the sixteenth of April. The delegates expect to be absent one week.

**Another Egg Record**—E. H. Squire of Empire, the mail carrier, says he has twenty-six hens that he thinks will beat 'em all when it comes to laying. Wednesday he gathered

nineteen eggs from his hens and Thursday twenty-one. He thinks that by the next Tuesday he will be getting twenty-six every day.

**Back to Simple Life**—Justice Penneck deserted his office today in order to plant potatoes. There was no rushing legal business and he decided that the rest could wait while he got his potatoes in, before the rain he felt sure the high wind would bring.

**Sues on Order**—Robert Marsden, Jr., today began suit against G. F. Mitchell, a Smith mill employee, for about \$19 on an old order, which Mitchell gave in 1908 on an architect here, who would not pay it. The suit was filed in Justice Penneck's court.

**Suit Begun**—The Pioneer Hardware company today began suit against Bayless and Longstrom for \$28. O. F. Wallace also began suit against P. D. Chamberlain of the L. C. Smith Typewriter company for \$20 which he alleges is due him for assisting in making sales of machines last fall.

**Port Meeting**—The Port of Coos Bay commission will meet next Monday to take up various matters. The Cooson channel will probably come up again and perhaps a petition for other inlet improvements will be presented as some of the inlet residents are insisting that \$50,000 of the \$300,000 bond sale be expended on the inlets.

**Sells Home**—It is stated that the Ward M. Blake house on Flanagan avenue has been sold to Vernon Smith for \$10,000. Mr. Smith and his bride will occupy it the latter part of May, probably. Mr. and Mrs. Blake have purchased a lot on South Fifth street near the Nerdrum home and will erect a new home there. It will be started soon as they are anxious to complete it before Mrs. Blake leaves for the east on a summer visit.

**To Restore Sight**—Alec Carlson and daughter, Mabel, of Lakeside returned on the Redondo last evening, where the little girl, who is nine years old, has been confined in Lane hospital. Mabel, who has been blind most of her life, was operated on ten days ago, the surgeons removing one eye and a film from the other. The child's nervous condition is much improved, but as to the condition of her sight only time can tell. They leave for home this afternoon.

**Refer Question**—The Marshfield school board at a meeting last evening decided to ask Attorney General Crawford for an opinion as to whether the school board has the right to contribute money to the public library. Owing to the general use the pupils are making of the public library, the library board asked the school board to aid in securing an assistant librarian to make the work more effective. The board last evening also elected Mrs. Laura M. Morrow a substitute teacher.

**Special Trout Fly**—The Gunnery has just received some special trout flies, which they ordered for Coos River fishing. They caught one of the March moths, which are so numerous on Coos River, and sent it away and had special flies tied in exact imitation of it so that the trout will get the surprise of their lives when they go after it.

## AMONG THE SICK.

J. A. Collier and wife of Coquille came over yesterday. They are accompanied by their little four year old daughter, who was operated on this morning and her tonsils removed.

Mrs. C. H. Dungan of South Coos River, who fell and broke her leg yesterday, was taken to Mercy hospital yesterday afternoon, where the x-ray was used in locating the injured bone. She was later brought to the home of her mother, Mrs. M. R. Smith. The attending physician is unable to reduce the fracture owing to the swelling.

Mrs. George Ayre, who has been confined to her home from an injury, is reported as improving.

## The Speed Limit Will Be Tested

But it requires no test to prove that you can get the best candies and fountain drinks on Coos Bay at Sarters. That has been proven already.

Have your job printing done at The Times office.

## "The Proof of the Pudding, Etc."

I am writing this advertisement for the benefit of that man who said that advertising is all that sold so many Dayton Bicycles in Marshfield.

## I Want to Sell You a Bicycle, Sir!

My friend:  
Advertising does not SELL Dayton Bicycles. Advertising calls your attention to the good points of these wheels, and to the service we give.

When we SELL a bicycle we give you the equipment you wish and we give you the benefit of our experience in the bicycle business.

You choose exactly the frame, brake, saddle, handlebars and gear that suits you best.

You get my promise to take the bicycle back and refund your money if you are not satisfied.

You get the Marshfield Cyclery Guarantee that everything on that bicycle MUST be first class.

You get replacements right here, out of my store, without delay.

If I sell you a wheel, I refer others to you.

Would I stultify myself by referring to some one who does not like his wheel?

(Your Money Back If You Don't Like Your Dayton)
