A Heavy Weight Guaranteed Blue Serge Suit at \$15.00

The Masterpiece of Clothcraft Scientific Tailoring

JUST to show how good a blue serge suit could be made at a medium price, the makers first produced 5130 a year ago. It proved the biggest seller they ever had, because it was easily the best value in blue serge ever offered at the price.

This spring, it's even better. In fact, it's the masterpiece of Clothcraft Scientific Tailoring. While not the highest priced suit in the Clothcraft line, it's easily the best value that ever bore the Clothcraft Label and Guarantee.

Before you decide on your Spring suit come in and see the Clothcraft Blue Serge Special No. 5130. Examine the cloth and the tailoring. Try it on and notice the style and fit. If you don't decide it's the best \$15.00 worth you ever saw, we won't ask you to buy.

Just say 5130—if you want the best Blue Serge Suit, at \$15, you ever saw.
