

THERE'S a lot of style to this young fellow; every line and detail of his clothing is just right; from the smooth, snug collar, down the long, soft lapel, to the jaunty two-buttons, and down to the tips of his toes, he's dressed just right.

Hart Schaffner & Marx clothes, of course; there's no other way to get that clean-cut air of distinction; even your made-to-measure men don't get it; not when you pay \$10, \$15 or \$20 more for your clothes.

We have just such suits here at \$18.00 and up; we'll do especially well for you at \$25.00.

To North Bend.—The members of the Methodist Brotherhood will go to North Bend tonight in a body to hear the Rev. Lewtas, who is holding religious services there.

Archbishop Coming.—His Grace, Archbishop Christie will be in Marshfield, June 29, on the feast of St. Peter and St. Paul, for confirmation. He will visit North Bend and Bandon and return via Gardiner.

Minister Here.—Rev. McKee, of McMinnville, Colporteur for the American Baptist Publication Society, is in Marshfield visiting the churches and community. He will assist Rev. Hall in his work on the Lifeline and expects to be on the Bay several weeks.

Sunday Picnic.—Arrangements have been made for a big picnic and dance at Strang's Grove on Catching Inlet next Sunday. Captain Mattson of the Wah-Ta-Wassa, has arranged to leave Marshfield at 9 o'clock in the morning and will return in the evening. A fine bovery has been built, good music will be furnished and an elegant picnic and outing ground provided. A general invitation is extended to the public to attend.

Honor McLain.—Hugh McLain of Marshfield was elected Chief Warden of the Oregon Knights of Columbus at the State convention of the order, which has just closed. Mr. McLain, T. H. Barry and Rev. Father Munro, the delegates from Marshfield council arrived home today. It is quite an honor for Mr. McLain. While away, they made arrangements with the Port Council of the Knights of Columbus to send a degree team here to put on the Third Degree July 20. A large class is to receive the work here and a big time will be arranged.

sense of a member of the troupe, the Cleo Madison company did not play at the Masonic last night, but this evening will put on "The Barriers," and tomorrow night will present "Zaza."

Buy Property.—C. W. Wolcott has purchased the residence property of Mrs. A. R. Sears at Broadway and Birch for about \$3,000. Dwight Wolcott has purchased a lot on South Broadway, near Johnson, from W. J. Cooney, for about \$600.

Win Their Case.—Will and Dave Sneddon are feeling rather elated today over a case which they won in Circuit Court at Coquille. C. R. Barrow, of Coquille, was suing them and Jack Burnett and others, for ten per cent of the amount they recovered from the Pulaski Coal Company on miner lens which he filed for them but they contested his fee and through Chas. I. Regard defeated him in Circuit Court.

Destroy Beer.—F. S. Dow, who returned the night before last, reports that a number of women at Coaledo are entitled to a medal from the W. C. T. U. for their effective temperance work. When the train was passing through there a number of loggers on the train dropped several bottles of beer out of the car window for loggers who were expected to pick them up. Some Coaledo women who were near the track frustrated the plan by following the train and smashing the bottles of beer on the rails before the thirsty loggers could get to them.

Jury Cases Later.—Judge Coke is cleaning up a large amount of business on the court calendar at Coquille and may not adjourn court for several days although the jury was dismissed the other day. One of the cases now up is from Myrtle Point and is rather peculiar. An ejectment suit was started two or three years ago but has been fought along in the courts and recently the man's lease expired and he left the place of his own accord but still the suit is on for his forcible ejection from the property. The jury has been dismissed until June 4, when Judge Harris will be here from Eugene to try some cases which Judge Coke could not hear.

Ed Hansen Returns.—Ed Hansen, one of the best known navigators around the Bay and for years a resident of Empire, while on the tug Klyham of Empire and later on the Gleaner, has retired as an engineer on one of the Port of Portland tugs to return to Gardiner and take a position as engineer on the tug Gleaner. He came in today from Gardiner on his first trip. Mr. Wallace, who has been engineer of the Gleaner, will go to San Francisco. Mr. Hansen is a brother of Jens Hansen and he was warmly welcomed here today by his many friends, who are glad to see him return to this section.

No Game Sunday.—It was stated today that there would be no practise games between the North Bend and Marshfield league teams, as was proposed, as Captain Denny Hull wants to practise some secret signal work. In consequence, Marshfield will probably practise at home. Nearly all of last year's players were out last evening warming up and some new men were also out. A tentative schedule has been arranged and is awaiting the approval of the various clubs.

Pays Fine.—Chas. McCoy paid a

W.'s from the various camps had organized a crew and were making the rounds of the various logging camps in an effort to get more to go out. All of the camps are running so far. Many rumors about what may happen are in circulation.
