BORN

BROOKS—To Mr. and Mrs. R. J. Brooks of Bay City, Friday, May 16, a daughter.

Special Sermon.—The Rev. J. E. Burkhart tomorrow night will deliver a special sermon at the Presbyterian Church on "Modern-day Regard of Life."

Leave on Drain Stage.—Otto J. Boss, J. Fullopp, G. A. Bestorious, R. Monell, F. A. Tipton, Frank Smith and wife and S. J. Levitt were out-going passengers on the Drain stage today.

Near Old Home.—The account in the Times day before yesterday of the cyclone at Seward, Nebraska, was of special interest to the Rev. Z. O. Doward, pastor of the Marsh-

field Christian Church, as he formerly lived there and at other Nebraska points in that vicinity.

Relative Dead.—John Hallway, of The Times composing room today received word of the death of his grandfather, Matt Strandell, at Wassa, Finland. The deceased was the father of Mrs. Alfred Store, of Allegany.

Forger Not Found.—No trace of Dave Penwell, the forger who passed about \$170 worth of worthless checks on Marshfield business men has been found. It is thought that he has taken to the woods in the upper Coquille where he formerly lived. The warrant for him was sent to Sheriff Gage.

Looks up Estate.—Mrs. John Wall left today for Portland where she will visit her daughter. She will also go to Pomeroy, Wash., to look after an estate left by her sister mother, Mrs. McEnery, who died recently. Not much is known about the size of the estate nor as to the will that Mrs. McEnery left.

Hurt Today.—Chas. McClees, while assisting in moving a two-ton boiler at the C. A. Smith pulp mill was caught by it when the big load slipped. He was pretty badly crushed about the chest and it is thought that several ribs were broken and perhaps internal injuries inflicted. He was taken to Seery Hospital. He is a brother of F. A. McClees of The Chandler bar.

Kills Caterpillars.—A general crusade is to be made by local orchardists against the caterpillars which are so numerous this year. Oil torches are the most effective means of destruction and the cloudy wet weather now affords an excellent opportunity to get rid of them with the least possible damage to the trees. Mrs. M. A. Sweetman, of Ferndale, reports that the young alder trees there are covered with them.

Incorporate Club.—R. O. Graves today filed the final incorporation papers of the Marshfield Baseball Association with an authorized capital of \$1500. Arthur McKeown, Warner Ogren and O. W. Briggs appear as the incorporators. Only part of the funds have been subscribed but it is expected to raise the balance soon. Then the permanent officers will be elected. The team will continue active practice. It is expected that the schedule will be ready to adopt soon.

Buy's Store.—Robert Marsden, Sr., today concluded negotiations for the purchase of the Blanco cigar store from A. P. Owen. Mr. Marsden wanted something to take up his time being too vigorous to retire and Mr. Owen wanted to be relieved of the business cares so that he could better enjoy himself and the bargain was made. The stock is being involved today and the new proprietor will soon be in charge. While glad to welcome "Bob" back into business many will regret to see A. P. Owen retire.
