LOCAL OVERFLOW.

Returns Here.—F. A. Warner, of the C. A. Smith Company, returned here on the Adeline Smith, having just returned to the coast from Minneapolis, where he went to attend the marriage of Vernon Smith, Mr. C. A. Smith will probably not return to the coast for a while.

Make Motorcycle Trip.—Clay Church, of the Red Cross Drug store, returned this afternoon from a motorcycle trip to Bandon. He took the coast road to Bandon and returned via Coquille. The coast road to Bandon is good as is also the road from Coquille. The road between Bandon and Coquille, however, is bad. He made the trip from Coquille to Marshfield in an hour and ten minutes.

Pay Attorneys.
The Port of Coos Bay has decided to pay its attorneys, C. R. Peck and J. W. Bennett, \$50 per month each for their services, dating from the re-organization of the Port last September. When they were engaged for the work their pay was not fixed, but A. H. Powers said that it would have to be most reasonable. At this rate, it is claimed that the Port of Coos Bay has floated its \$300,000 bond issue at the lowest expense a similar proposition has ever been handled.

It is expected that the U. S. engineers' approval to the project of deepening the channel in the inner harbor will soon be forthcoming.

Sheridan is O. K.
J. W. Bennett, when asked by a reporter of this paper if he knew anything about the T. R. Sheridan litigation mentioned in the Portland papers and copied in the Times last evening, said: "I really do not know anything about the case or Mr. Sheridan's financial condition, although I do know that he does not owe the F. & B. Bank or any of its officers anything, although we would have been glad to have accommodated him to a reasonable conservative extent at any time."

The "Learn One Thing Every Day" series of pictures and articles in the Times for next week, beginning on Monday, will give the story of the Panama canal. These articles will be well worth reading, as all of them are, and the pictures furnished with the "Mentor" will be well worth preserving, as indeed all of these also are.

ALONG THE WATERFRONT.

The Adeline Smith and Nann Smith, which arrived in last night, will sail early tomorrow with cargoes from the Smith mill.

The Alliance is due in this afternoon from Eureka. She will sail for Portland tomorrow.

Guy Chambers has resigned his position at the Alliance warehouse and will leave there June 1. Harry Huggins will succeed him.

FOR MUSICAL INSTRUCTION.

Editor Coos Bay Times:
We believe in the band and its instructor. The city pays \$150.00 a month to furnish this musical instructor to the band.

What is the matter with the recipient of these funds being made instructor to the city schools, in his line, to such scholars—boys and girls—as desire to take up the study and practice.

Will somebody work on the school board and the city fathers to this end? Everybody can get the benefit then of what the city pays for, and get it systematically.
C. H. McLAUGHLIN.

FINE SUNDAY TRIP TO GOLDEN FALLS

Join the Rainbow excursion to Allegany tomorrow and then take a ride in Lynn Lambeth's fine new Cadillac to Golden Falls, the most scenic point in the Coos Bay country. Round trip from Allegany only \$1.50. Don't miss it.

Rainbow leaves Marshfield at 8 o'clock.

Everybody is invited and a good time is assured.

ATTENTION F. O. E.
All members of Marshfield Aerle No. 538 and visiting brothers are requested to meet at Eagles' hall, Sunday, May 25th, at 2 p. m., for the purpose of observing the annual memorial services.

By order,
C. C. GOING, W. P.

MARSHFIELD WINS HONOR

Takes First Place in Coos County High School Meet—Clark and Lecocq Stars

The Marshfield High School track team yesterday carried off the honors in the Coos County High School meet here. The meet was most successful from every standpoint. While no records were broken, most of the events were fairly well contested. The crowd was fair and will enable the Marshfield team to a little better than break even on the meet, Marshfield paying all the expenses of it. The total gate receipts were \$154.

There were two slight mixups, one about the broad jump, which was not completed owing to misunderstanding, and the mile run, which was first contested on account of someone of the Bandonites plying Harvey of Bandon in on the stretch. Later this contest was dropped, Lecocq of Marshfield, withdrawing his claim when it was seen that this event would not change the relative standing of the teams. Referee Cohan first ordered the mile race to be run again, but in view of Marshfield's standing he did not insist on it.

Leaving out the records for the broad jump, which, according to rule, was not finished, the individual schools won points as follows:

Marshfield	30
North Bend	24
Bandon	19
Coquille	5
Myrtle Point	3

Clarke, of Marshfield, won the highest number of individual points and winner of the trophy cup which is awarded to the individual contestant who wins the highest number of points.

Lecocq, of Marshfield, won the second highest number of individual points, and was awarded a silver medal.

The relay banner was won by Bandon.

The Coos County championship banner, which is awarded to the school winning the highest number of points in the meet, was won by Marshfield.

The Results.

220 Hurdles—Clarke, Marshfield, first; Lecocq, Marshfield, second; Kern, Coquille, third. Time 28 minutes 3 seconds.

Pole Vault—Dewey and Hanson, North Bend, first and second; Watkins, Bandon, third. Height, 9 feet.

100 Yard Dash—Clarke, Marshfield, first; Gardner, Bandon, second; Simpson, North Bend, third. Time, 11 seconds.

880 Yard Run—Lecocq, Marshfield, first; Watson, Coquille, second; Moland, Bandon, third. Time, 2 minutes 14 3-5 seconds.

220 Yard Dash—Gardner, Bandon, first; Clarke, Marshfield, second; Simpson, North Bend, third. Time, 24 3-5 seconds.

High Jump—Clarke, Marshfield, first; Clarke, Myrtle Point, second; Harvey, Bandon, third. Height, 5 feet 8 inches.

Mile Run—Harvey, Bandon, first; Lecocq, Marshfield, second; Back, Marshfield, third. Time, 5 minutes 8 seconds.

440 Yard Run—Simpson, North Bend, first; Watkins, Bandon, second; Knowlton, Coquille, third. Time, 58 3-5 seconds.

Shot Put—Brackley, North Bend, first; Barber, North Bend, second; Bowen, North Bend, third. Distance, 41 feet 6 1/2 inches.

Relay—Bandon, first.

Missed Hodson.

North Bend felt keenly the loss of Hodson, who was kept out of the events by injuries sustained in training the other day. Had Hodson been in, there would probably have been a close contest between Marshfield and North Bend for first place. As near as can be figured out, granting Hodson the records and time made in practice, the winning of first place would probably have depended on the outcome of the 220-yard dash, as to whether Hodson would have beaten Sidney Clarke.

Fine Reception.

The reception tendered to visitors by the students and teachers of the local high school was largely attended, the number attending being estimated at 275. Punch, ice cream and cake constituted the refreshments. The reception concluded with short talks by Paul Wilson, of Leland Stanford, who recently won high athletic records there, and Prof. L. A. Hopkins, of Bandon.

BLUE AND GREY SPECIAL MEN AND YOUNG MEN YOUR ATTENTION, PLEASE

MEMORIAL DAY usually signals the beginning of summer. So to speak, it prophesies pleasant weather, balmy days, when last winter's ills and overcoats can be forgotten.

We have decided to make Memorial week, commencing Monday, an auspicious occasion at our store, for we believe that many of you are now ready to purchase your spring clothes. We have culled over our new stock and selected three special assortments in suits. These numbers represent the brightest and best clothes that we have. They represent clothes which can be put on now and worn right through the summer. They were made expressly for us by *Brandegge, Kincaid & Company*.

Assortment No. 1.—From time immemorable, Blue Serge has been considered the fabric for spring wear. As a result, we have decided to offer our special blue serges at a special price. These serges have all the snap and vigor one could possibly ask for. They are all wool. They are tailored with skill. They are carefully lined with the best grade of lining. They will not fray or fade. Taken all in all, these serge suits should appeal to you and convince you. By all means see them.

\$15.00 for Our Regular \$20.00 and \$25.00 Serges

Assortment No. 2.—These numbers represent a pure worsted suit. A line of the handsomest grays we ever had in our store. A suit you can wear to work or to church. A suit that will serve you with the strength of many which have probably cost you more money. The styles are three-button sack, the shoulders are broad enough to look well and narrow enough to conform to the present-day style. The tailoring is of the sort you will approve of. It shows the work of master hands. If there ever was a good suit for the money, these are. Sizes 35 to 42.

\$13.50, Without Reserve, for This Lot of \$18.00 to \$22.00 Suits

Assortment No. 3.—Probably more men and young men wear fancy cheviot suits than all other materials put together. To make our offer comprehensive, to give a choice to every man, we have selected this excellent fancy cheviot. It is light and summery and all wool. In style, it measures right up to the minute. The lapels are long and graceful. The collar will hug your neck; the waist is a trifle shapely, and the skirt a trifle flaring. Taken all in all, these suits should be the most popular seller of the three specials.

\$16.50 will be the Price on Cheviots Formerly \$22.00 to \$27.00

Naturally, we would like to sell you one of these three specials, but whether you wish to purchase or not, by all means take advantage of the event to examine our merchandise.
