Steamship Will Move to the Ocean Dock and Later to Railroad Dock

Owing to E. W. Wright, agent for Porter Brothers and Johnson, who took over the former Marsden prop- erties on North Front street, includ- ing the Breakwater dock and ware- house, raising the rent on the latter from \$60 to \$172 per month, the Breakwater today is vacating the place and moving to Ocean dock. The latter will be its temporary quar- ters until a new dock and warehouse is built for the Breakwater at the end of the present railroad docks, an extension of 150 feet being planned for it. The latter will be built at once and will be ready for occupancy within 30 days, according to Supt. Miller today.

Mr. Miller stated that the sudden raise in rent would bring their rent here up to \$172 per month, as they pay C. A. Johnson and the Odd Fel- lows a monthly rental for use of their wharves. He says they only pay \$100 in Portland and could not af- ford so much here.
