**Fire Scare.**—The chimney in the P. M. Wilbur home on North Broadway burned out this afternoon and caused a fire alarm to be turned in. No damage was done.

**Has Operation.**—Tom Barrett, the edgerman who sustained a broken thigh bone in an accident at the Smith mill the other day, underwent an operation at Mercy Hospital this afternoon and it is reported to be doing nicely.

**Motorcycle Trip.**—Shannon Mitchell reports that he and Jess Wagner made the return trip from Bandon via Coquille to Marshfield on his Harley-Davidson motorcycle in about three hours. They went down last Saturday evening and made the trip without trouble.

**Many Drunks.**—City Recorder Butler had half a dozen drunks before him today. Some paid \$5 each and others promised to pay. They gave their names as Fred Johnson, Nick Rieho, Ole Anderson, Frank Milton, Tom Talbot and Fred Talbot.

**Road Bad.**—Chas. Bonebrake last evening received a telegram from Lynn Lambeth stating that he reached Scottsburg yesterday afternoon, after one of the hardest auto trips he ever made. He said the road from Allegany was in awful condition, in many places, and he warned other autoists against trying to make the trip.

**Fine Apples.**—Cal Wright has been treating some of his friends to some Yellow Newton apples, which have been kept in most excellent condition. He got a few boxes of the apples from Hood River last fall and by placing them in a dark cool place has preserved them in fine shape. The Yellow Newtons have not been grown successfully here but Mr. Wright thinks they could be raised by a little special attention given to them.

**Messrs. A. H. Derbyshire, P. L. Swearingen, C. O. King and W. S. Morton** have returned from a few days' fishing trip to Ten Mile. They report good luck and a good time and that they left a few fish in the lakes for all who wish to try to get them.

Owing to some cars on the trestle being nearly derailed yesterday, the steam shovel was shut down today so that brakes could be fitted on the dump car. Luckily no damage was done.

Why Not Walk "Sitting Down?"

In buying a bicycle from us it is not necessary for you to examine it at all.  
If it should develop any deficiency we will make it good free of charge.

We must sell good bicycles, for our success depends on the quality of our wheels.

You are absolutely safe, to the extent of getting your money back if you don't like your wheel.

No waiting, no walking, if something breaks on a Timesaver you may ride one of ours till yours is repaired.

No need to wait till parts come from the East, for we carry all parts of Dayton Bicycles in stock.

We sold 14 Bicycles in the month of May, because we make good and our bicycles make good.

**LAIRD'S AUTO ACCIDENT.**

Loses Control of Machine on Myrtle Point Grade.

W. L. Laird performed some fancy stunts with his auto at Myrtle Point last Thursday. In backing around near R. C. Dennett's residence, his reverse gear refused to let go, and the auto backed across the road and started down the hill. By the time he could throw out the clutch and put on the emergency brake the machine was on the slippery grass and kept right on going, not even pausing for a fence that stood in the way. Mrs. Laird and two children, Mrs. Cleaves and two children, were in the auto. Mr. Laird told them to jump, then commenced pitching children out with one hand while he kept the machine straight with the other. When he reached the bottom of the hill, where the auto stopped against a log, he says he could see women and children scattered all along the way. Fortunately no one was hurt and the machine was uninjured, the fence being the only sufferer.—Coquille Herald.

**Studebaker**

"When I invest in a wagon I buy a Studebaker, then it's a safe investment"

Of course it is! Studebaker wagons are built on honor, with sixty years of wagon-building experience—and with every wagon goes a Studebaker guarantee.

You can't afford to have a dealer sell you some other wagon represented to be "just as good."

If you want a wagon that will last, run easily and stand up to its work, there is only one wagon to buy—and that's a Studebaker.

Don't trade ten extra years of service for a few dollars difference in price.

Studebaker wagons are made to fit every requirement of business or pleasure, in city, town or country.
