if too much heat is applied; but the burning has no effect whatever upon them. Less fuel is needed when cooking in “Wear-Ever” utensils, because they heat quicker and retain heat longer than other cooking utensils; and food cooked in them is less liable to scorch. Every “Wear-Ever” utensil is made without joints, seams or solder from thick, hard sheet aluminum, 99 per cent. pure. Cannot form poisonous compounds with acid fruits or foods, cannot chip or scale, practically indestructible.

## TWO DAYS OF FUN PLANNED

**Marshfield to Have Athletic Programs July 2 and 3— Meeting is Held Here**

At a meeting at the Chandler Hotel last evening, plans for holding a two-days' program of sports in Marshfield July 2 and 3 were launched and committees will be named to raise about \$850 to defray the expenses of the entertainment. The matter was taken up by F. P. Norton and others who thought that it was not right for Marshfield to allow the Fourth of July period to pass without a celebration of some kind.

Last evening Mr. Norton was elected chairman of the meeting which was held in The Chandler grill and D. L. Rood was elected secretary and treasurer.

J. W. Bennett reported that he had conferred with L. J. Simpson and other North Bend men about the matter so that the Marshfield entertainment would not interfere with the celebration there. He said that Mayor Simpson and others said that it would not and for Marshfield to go ahead, that it might be a good thing in attracting more people in for the big celebration in North Bend. The North Bend celebration will be July 4 and 5.

Chairman Norton was instructed to appoint a committee to solicit funds and another committee to arrange for a program for the two days' entertainment. Last year over \$1700 was raised for the Fourth of July celebration and those present last evening felt that \$850 or \$900 should be raised this year.

The general plan includes horse racing each day, motor cycle races, automobile races and a big trapshoot and possibly some baseball games or other sport diversions. All horse race entries will be free.

Chairman Norton announced this afternoon that another meeting would be held at The Chandler this evening to perfect the plans for the athletic program. He wishes all interested to turn out.

## LARGE CLASS IS GRADUATED

**Twelve Complete Marshfield High School Course—Junior Reception Tentered**

Diplomas were presented last evening to a class of twelve graduates of the Marshfield High School at the final Commencement exercises which were held in the High School auditorium. There was a large attendance and an excellent program was given.

The Commencement address was delivered by Prof. Geo. Rebec, of the University of Oregon. Mr. Rebec is a pleasing speaker and his address was unusually good, pointing out the changes in education and the requirements in contrast to those of a generation and longer ago. He said that the world now demanded concentration and specialization instead of the general education in years gone by.

The invocation was by the Rev. A. F. Bassford. A piano solo by Miss Mary Kruse, a vocal solo by Mrs. A. B. Gidley and numbers by the ladies' quartette consisting of Mrs. A. B. Gidley, Mrs. E. J. Robinson, Mrs. J. T. Hall and Miss Esther Johnson were pleasing features of the program.

The presentation of diplomas was by Superintendent Tiedgen, and the members of the class were:

Regular course, Anna Ruth Allen, Edna Muriel Hansen, Arthur Kolstad, Hazel Edna Powers, Ruth Irene Tower, Joan Mary Fitzgerald, Leslie Alphonse Isaacson, Ralph Lyons Kruse, Max Reizgard, Frances Mary Williams and Mildred Wilson, Commercial department, Charles Van Zile, Jr.

The high school auditorium was prettily decorated for the occasion. The class colors were green and white and the class flower the white rose.

The Rose Winkler prize in chemistry was presented to Vivian Carlson by Superintendent Tiedgen.

**Junior Reception.**

Following the regular program, the Junior class gave a reception and banquet for the class of 1913. The banquet room was artistically decorated in Oregon grape and huckleberry. The class colors of the two classes were used effectively. Refreshments were served by girls of the Sophomore class.

Vivian Carlson presided as toastmaster of the banquet and there were responses by Arthur Kolstad, Prof. Rebec, Superintendent Tiedgen and Duncan Douglas.

**Banquet Tonight.** This evening the Marshfield High School Alumni will tender a banquet at the Chandler to the graduating class. John Ferguson will be toastmaster.

## MANY LEAVE ON BREAKWATER
