

ALLIANCE IN AND OUT TODAY

Steamer Arrives From Eureka and Will Sail This Evening for Portland.

The Alliance arrived in today from Eureka and will sail this evening at 6 o'clock for Portland. She had a good cargo of miscellaneous freight and took on considerable here. She also had a large list of through passengers.

Among those arriving from Eureka on the Alliance were A. W. Brown, Mrs. A. W. Brown, Mrs. L. Thomas, Mrs. F. Stewart, L. Spiro, Mrs. M. A. Rozell, Mrs. Ida Holquist, W. Holquist, J. Holquist, L. Lehmanosky, F. Stewart, L. O'Connell, J. Roberts, C. B. Joseph, E. A. McLaughlin and O. S. Misk. Among those who will sail on the Alliance are Sam Roth, M. Goodpaster, W. T. Stoll, John West, M. Hira, Alex. Johnson, Otto Edlund, Alex. Erickson, Dr. Vaughan, F. C. Birch, G. F. Ogden, Paul Engstrand, Jas. O'Connell, H. C. Coleman, W. J. Hamon, Mrs. W. Galbraith, Mrs. K. Webber, John Parker, Ed Nyman, E. Ahlquist and J. H. Lindberg.

AMONG THE SICK.

Chief Engineer Quinn of the Nann Smith is suffering from a severe attack of tonsillitis but probably will be able to go out on her tomorrow.

Miss Ramona Ladd, who was quite seriously injured last week, is still at Mercy hospital but is reported to be improving. Weights are being used to overcome the injury to her spine.

Mrs. Eddy of the Marshfield post-office force, is improving after a severe attack of la grippe.

C. C. Pratt, father of Vince Pratt, is today nursing a sore hand as a result of an axe with which he was cutting kindling slipping. A bad gash was cut in his hand near his thumb but no bones were broken.

The little son of Mr. and Mrs. Geo. Parker, of West Marshfield, who underwent a minor operation at Mercy hospital this week is reported to be getting along nicely.

OTIS WILSON, the jeweler at the Red Cross is confined to his home with a severe attack of neuralgia.

NORTH BEND MODERN WOODMEN BALL, at Eckhoff Hall SATURDAY NIGHT. Exhibition drill. Music by KEYZER'S ORCHESTRA. Everyone invited.

Shorts, \$1.25 at Haines.

NEW LICENSE BOTHERS SOME

Tom Hall Loses Several Hours' Sleep Needlessly—Change in Requirements.

A good joke is being told on Tom Hall in connection with the marriage license forms. The day before yesterday, a North Bend young man came to him to have Tom make application for a marriage license for him. Tom did so but he forgot about the medical certificate requirement. Late that night he remembered it and as the young man wanted the license yesterday, he was perturbed. Finally he decided to get up early yesterday morning and have the young man get the medical certificate so that it could be sent on the morning train. Tom arose about 4 o'clock and finally got the applicant out of bed. He was much chagrined when he found that the applicant had discovered the omission the afternoon previously and had secured the necessary medical certificate and had it forwarded to Coquille.

Change Requirements.

Justice Penneck has just received some copies of the new applications for marriage licenses. In the new form, the six-months' residence requirement on the part of the bride is eliminated, it being merely stated that the bride is a resident of the county. The applications specify merely for white people and whether they can be changed to permit the marriages of Chinese, Japanese or negroes is a question, although inter-marriage between whites and the colored races is barred in Oregon. On the backs of the applications is the form for the medical certificate as to the health of the groom. County Clerk Janca Watson drafted the applications under the direction of District Attorney Geo. M. Brown and just when "Jim" will use one of the applications for himself is a question that is puzzling some of his friends.

Many Auto Trips.

As a result of the failure of getting his application properly certified, Guy W. Chambers had to make three auto trips between Coquille and Marshfield yesterday to get his marriage license. When he reached the clerk's office, the absence of the affidavit was discovered and he jumped into an auto and returned to Marshfield and got the defect remedied. Then he was too late for the train and went back by auto and came back again by auto. However, he made it without causing any delay and his marriage to Miss Hazel Kirk, a charming Marshfield young lady, took place at 4 o'clock yesterday afternoon, the Rev. Z. O. Doward officiating at the Christian church parsonage, only a few immediate relatives and friends being present.

The host of friends of the prominent and popular young couple have today been showering them with felicitations. They will reside at Empire.

Hearing Monday.—Sheriff Gage stated today that Deputy District Attorney Liljeqvist would probably be here Monday for the preliminary hearing of Bill Miller, who is charged with child stealing in the case of little David Smith of Bunker Hill. Mr. Liljeqvist was ready to come sooner but did not because Tom Bennett, who is defending Miller was busy in court at Coquille.

NORTH BEND MEAT MARKET OPEN SUNDAY.

The fact that meats get stale easily in hot weather, especially coming out of a refrigerator, we have decided to have our market open every Sunday morning from 8 to 10 o'clock during the summer months to accommodate the public.

Pure home rendered lard 10 lb. for \$1.45, 5 lbs. 75c. Respectfully, The North Bend Refrigerating Meat Co.

RACE MEET IS "CALLED OFF"

F. P. Norton Announces That Plan for Program Here July 2 and 3 Is Abandoned.

The proposed two day race meet and sport program on July 2 and 3 so far as the city of Marshfield is concerned, has been called off. F. P. Norton, prime mover in the plan, so announced today. He said that J. W. Bennett who had aided in starting the project was away and had not done anything and he guessed it would be given up. D. L. Rood, H. J. McKeown, Cell Ireland and Dave Rees, he said, who had taken part in the original plan, had done nothing, and so far as the city was concerned, it would be dropped.

It was intimated that some others might take up the matter and hold some sort of doings here independent of the merchants.

Marshfield people generally, following the protest of the North Bend residents, were opposed to the plan because it was felt that it would detract from the North Bend celebration July 3 and 4. In fact, before the protest was made, there were many protests against it, because it was felt that it was not playing square with North Bend.

NORTH BEND NOTES.

Jack Wallace has resigned as head filler in the Coos Bay Manufacturing company's plant to take a similar position in the new North Bend mill.

C. W. Perkins, science teacher in the North Bend schools, left a few days ago via San Francisco for Iowa, where he will spend the summer vacation.

L. O. Anderson, who has been subpoenaed as a witness in the case of the Coos Bay Water company vs the Simpson Lumber Company, failed to show at the Porter Mill engine room last Saturday, being the first day in nine years that he has missed.

Miss Agnes Hughes is here from Portland to visit at the Chas. Kaiser home. She will also visit in Curry county.

C. S. Winsor has gone to Portland to take in the Rose Carnival and enjoy a little vacation.

The receipts of the class play given by the North Bend High school last week were \$80.

Edward Strong and family left this week for their old home in Idaho to relocate.

Oscar and Hugo Stauff have returned from Corvallis, where they have been attending Oregon Agricultural College and will spend the summer on the ranch at Cooston.

Miss Beulah Kibler, who has been attending high school here has gone to her home at Point Terrace on the Siuslaw for the summer vacation.

The Simpson Lumber company is arranging to erect a new refuse burner, 26x96 feet at the Porter mill.

Prof. J. F. Grubbs has been notified that the subject for next year's preliminary debates will be "Resolved that the President of the United States should be elected for one six-year term" and the subject for the final state contest will be the Tariff question.

C. A. Smith will be a candidate for school director in the North Bend district at the annual election next Monday night and C. E. Mayble will doubtless be re-elected clerk.

E. W. Steele, who is to be the aviator of Gerst & King's new hydroplane, is expected here June 25, to take charge of the machine. Mr. Steele was formerly with Goodrum's garage at Marshfield but has been taking lessons in aviation from Glenn L. Martin's school.

P. L. Sweninger, J. Jones, Henry O'Mara and L. O. Stommen have purchased four and a half acres on Shetter's Inlet, Ten Mile, from Chas. Furhop for summer home sites.

FILES ON OLD CLAIM.

Hy. L. Acker, South of Roseburg, Entered Claim 28 Years Ago.

ROSEBURG, Or., June 13.—Having lived on a homestead claim for 28 years before making a homestead filing, Hy. L. Acker, who lives on the South Umpqua river, 18 miles above Tillier, probably holds the record for long residence on a government land claim before making a filing. Acker came to Roseburg and made a legal filing after living on the place for 28 years. He will be able to produce plenty of witnesses when it comes to making final proof.

FIRST CLASS OFFICE.

Eugene Postoffice's Receipts Show Big Growth.

The Eugene Register says: "On July 1, the Eugene postoffice will go into the first class, according to official notice received from Washington by Postmaster Page yesterday. The stamp sales for the year were \$3000 more than the \$40,000 necessary for first class rating. Under the new order, the salary of the postmaster will be increased \$100 a year."

"On July 1, also, the C. O. D. provision will be added to the parcel post service. This will mean that parcels can be sent C. O. D., and collections will be made when the package is delivered, just as when sending by express. Postage, however, must be prepaid, including an additional charge for the return of the money."

WRESTLING AT BANDON.

There will be a wrestling match at the Orpheum Theatre Saturday night, June 21st between M. Lutsey, the champion of Curry county, weight 160 pounds and F. G. Florain of Bandon, weight 145 pounds. The match will be a handicap catch as catch can match, Lutsey agreeing to throw Florain twice in an hour.—Bandon Recorder.

PICNIC at ENEGREN'S GROVE SUNDAY. A GOOD TIME ASSURED.

It's the Goods Behind the "Ad" That Makes Satisfaction

It's the satisfied customers who come back again and again that makes our business good. Everything we sell is guaranteed to give satisfaction or we "make good." We get our business and keep it by sheer force of dependable merchandise and fair, progressive business methods.

Venice	6	12	4
Sacramento	10	13	1

PUT UP SIGN HERE.

Coquille Valley Towns Arrange to Advertise on Bay.

The Bandon Recorder says: "A. D. Mills, as a committee of one from Bandon; Mr. Miles, from Coquille, and C. Milton Schultz, from Myrtle Point, visited Marshfield a few days ago to make arrangements for a large sign advertising the valley. The three river towns each contributed \$50 for the erection of a sign. Henry Sengstacken, of Marshfield, agreed to allow a sign to be placed on property owned by him, lying between the two warehouses just south of the ferry. This position is directly opposite one of the most frequented parts of Marshfield.

The sign will be 100 feet long and 15 feet high. There will be a line on top with the words, "See the Coquille Valley." Immediately below will be another line with the words, "The Garden Spot of Oregon." Below these lines will be a map of the river showing the position of the towns.

"Below the map will be the names of the towns and their populations."

MOTORCYCLE CLUB.

Coos Bay Motorcycle Club will meet Friday evening in Dr. Horsfall's office at 8 P. M.
