Ladies' Art Club.—The Ladies' Art Club will meet with Mrs. Wm. Ross Smith tomorrow afternoon.

Plan To Build.—Warren Painter and M. E. Everitt of North Bend, are figuring on erecting fine new homes there this summer.

Ship Cheese.—About 1200 pounds of cheese from the Coos Bay Creamery will be shipped on the Alliance consigned to the H. Conn commission house of Eureka.

Remodel Building.—Mrs. M. A. Early has had her store building at the corner of Tenth and Elrod remodeled and converted into two fine residence apartments.

Case Delay.—Capt. Dave Holden wants to know what has become of the case against George Steinburn, known as "Duke" who was arrested a couple of months ago for selling liquor on Sunday.

On Trip.—A. J. Thrush, an aged resident of Roseburg, and his daughter, Mrs. Belle of Canas Valley, arrived here yesterday en route home from Bandon beach, where they have been camping.

Aid New Port.—C. R. Peck left this morning for Gardiner, where he will assist the new Umpqua Port Commission in forming an organization. The commission was appointed by Gov. West last week and is said to be highly satisfactory.

McDaniels' Trip.—Edgar McDaniels of North Bend, who is making a California tour in his auto, in a note from King City, California, to Mr. Bailey, says he is getting along in good shape and having a fine trip. He expects to reach San Diego Sunday.

Supplies for Porters.—A Portland paper says: "The gasoline schooner Tillamook, which has been running direct to Bandon since the Anvil discontinued, will call at Marshfield this trip to discharge a load of railroad supplies consigned to Porter Brothers, who are building the Coos Bay Railroad."

Hurt at Camp.—L. S. Smith was quite badly hurt at Smith-Powers camp No. 2 at Coaledo today, falling 30 feet off the trestle. He was

brought on a special train and taken to Mercy Hospital. In addition to some severe bruises, his ribs were broken and possibly other injuries inflicted. Chas. Zimmerman, time-keeper at the camp, accompanied him in Smith's home in Berkeley, Cal., and he is about 27 years old.

Premature Announcement.—The friends say that the announcement of the marriage of Ray Joub and Miss Beattie Robertson was premature. The young people are said to be engaged and some of their friends thought it would be a good joke on them to announce their marriage. The Times regrets that it was made the innocent victim of a joke that it regards as more absurd and foolish than funny.

Auto Accident.—Capt. Edgar Simpson of North Bend, had a slight auto accident here yesterday. He was running on Central avenue near Broadway when another auto swung off Broadway into Central. To avoid a collision, Capt. Simpson had to turn his auto into the pile of bricks on the street. The damage was not slight, the machine not being overturned but people who witnessed it feared at first that Capt. Simpson and his companion would certainly be thrown from the machine.

Wed Last Night.—Elton Metlin and Miss Florence Benham were married last evening at the home of Mrs. F. A. Hazard, the Rev. R. E. Browning officiating. Among those present were Mrs. Mary McKnight, Mrs. F. A. Hazard, Mrs. C. A. Metlin, Mrs. Benha, and Miss Mary Metlin. The groom is the son of Mr. and Mrs. C. A. Metlin and the bride has been cashier at Fourier Bros. meat market for some time past. The many friends of the young couple will unite in wishing them all the happiness that time can bring.

Greek Arrested.—Sheriff Gaze arrived here today from Coquille en route to Drain to bring back Bill Paulos, who was arrested there on a warrant charging him with obtaining money under false pretenses. Paulos owned a half interest in the O. K. Chop House. He sold it to Andrew Manos, of the White House restaurant, Manos' two brothers being witnesses to the deal, and agreed to come back later and make out the papers, taking the \$100 cash without giving any receipt. Later he sold the half interest to John Ahquist for \$200 and then he skipped out. Gust Galvins owns the other half interest in the O. K. and it is understood there is a mortgage on Paulos' interest. Besides these, Paulos owed Mrs. H. H. Wilson \$4 room rent. He had \$500 in cash on him when arrested. He will be brought back here for trial in Justice Pennock's court.

The Ladies of the Catholic Church will have a bread and cake sale, Saturday, June 21, in the Tea, Coffee and Spice House Store, in the O'Connell building.

Along the Waterfront.

The schooner Oregon arrived in Bandon today.

The Nann Smith is due in early tomorrow morning from San Francisco with passengers and freight. She is bringing about 50,000 brick in addition to miscellaneous freight. It is still uncertain when the Redondo will leave drydock and go back on the run.

The Breakwater is due in early tomorrow morning from Portland and is said to have a capacity passenger list.

The more a man learns the more he realizes that this is a highly complicated little cosmos.

"That's the sixth Studebaker we've passed—the only kind to invest in"

"The only kind—because, as I always say, when a man puts money in a thing he wants to know that he's going to get the worth of it out again."

"That's plain business as I look at it."

"That's why I say the price doesn't tell you anything at all. There's only one thing that talks—except the wagon itself. That's the name of the maker."

"When you buy a Studebaker you're buying a vehicle that has behind it and in it sixty years of experience—sixty years of success—and sixty years of reputation for the square deal. That's why a Studebaker always looks good to me."

"My father used to say that Studebaker honor was as sure as a United States bank note. He was talking after having used Studebaker vehicles since he was a lad, and he told me his father before him said, 'Be safe—get a Studebaker.'"

"Vehicle builders can't hold that sort of reputation now-a-days without delivering the goods. A Studebaker wagon has the best in it. That's why a man gets the most out of it—why it's always an economy."

"Dealers may say to you something else is 'just as good.' But when you buy a Studebaker, you're making a safe investment every time."
