

THIS is the day that we celebrate our liberty from all forms of political oppression.

We pay tribute to the men who made it possible.

Let us celebrate it with freedom from the old fashioned clothes also and pay tribute to our good sense by wearing America's best clothes.

DAYTON BICYCLES ARE BUILT FOR HEAVY SERVICE

MY CREED

I never write an advertisement about goods that I would not buy myself, or recommend to my best friend; and I will never say about those goods in my advertising, to get others to buy them, anything that I could not honestly say about those goods in getting my best friend to buy them.

My Friend:—I believe that the Dayton is the best Bicycle for sale in Marshfield. It is the "cornerstone" of my business. The other corners are Honesty, Quality and Courtesy.

A SUGGESTION FROM MY MOTHER:

(Copied verbatim from her letter).

"I want my business to grow through force of merit and I want the gain to be mutual between my customers and myself."
The services of the Marshfield Cyclery will be appreciated, especially by boy and girl riders of Dayton Bicycles. We'll pump up your tires, oil and adjust your Daytons free of charge.

(Not because we like to oil and clean wheels, but because it pays to be accommodating.)

MY BACKING:

Mr. E. Bandel.
Marshfield, Oregon.

Dear Sir:

Our mutual friend, Mr. Charles O. Cook, of the Gorham-Revere Rubber Company, Portland, Oregon, who are our Northwestern distributors for the Dayton bicycles, was showing the writer some of your enthusiastic advertisements.

Our five year guarantee is a mighty fine talking point and one that you can absolutely live up to, as the Davis Sewing Machine Company stand back of the Gorham-Revere Rubber Company to make good on any defects on Dayton bicycles.

Trusting that you are receiving good results from your Bachelor contest letters, I am,

Sincerely, *W. H. Jackson*
