DANCES.
The dance given by the Marshfield Aerie of Eagles Thursday night was a most enjoyable affair. About 150 couples were present and fine music with the excellent floor made it the height of joy for the dancers. Perfect order was maintained and it was nearly 1 o'clock before "Home Sweet Home" was played, the dance being continued an hour longer than usual because of the good time everyone was enjoying. The general arrangements committee consisted of John S. Sneddon, M. J. Ostrow and R. E. Pinogor.

Several dances were given in North Bend this week, mostly public affairs for the benefit of the Fourth of July crowds. They were largely attended, the North Bend Woodmen conducting an especially enjoyable one which proved very popular.

MARSHFIELD LOSES TODAY.

There was a good crowd, but the attendance was not equal to yesterday's. Marshfield and North Bend will play in Marshfield tomorrow afternoon.

RECEIVED BELL SIGNALS.
Submarine Sounds From Orford Reef Picked Up by Bear.
A Portland paper says: "Sounds from the new submarine bell attached to the Orford Reef gas buoy, established a little more than a week ago, were picked up by the steamship Bear, Captain L. P. Nopander, when at a distance of three miles from the aid to navigation. It was while the Bear, arriving at the Ainsworth dock yesterday at noon, was en route this trip from Los Angeles and San Francisco. Captain Nopander sent a report of the matter this morning to Henry L. Beck, lighthouse inspector of the 17th district, expressing the belief that it will prove a most important aid to mariners. The Orford Reef light also can be seen several miles away. The Bear, Beaver and Rose City are about the only coasters running to Portland, which are equipped with apparatus for receiving submarine signals."

BOLD BANDITS ROB A TRAIN

Loot Mail and Express Cars but do Not Molest Illinois Central Passengers.
(By Associated Press to Coos Bay Times.)
MEMPHIS, July 5.—Four bandits held up the southbound passenger train on the Illinois Central Railroad south of Batesville, Miss., early yesterday. They awed the train and locomotive crews with weapons, blew open the safe in an express car and completely demolished the safe. The bandits carried away 50 pieces of registered mail. The express officials estimate that the robbers got no more than \$5000.
Passengers were not molested. The bandits compelled the locomotive crew to detach the mail, express and baggage cars and run them some distance from the passenger coaches. After they had finished their work in the mail car, the robbers ran the locomotive to Enid, Miss., and fled to the open country. When the passengers awoke in the morning they found their cars standing on the main line track where they had been abandoned.

HEAVY LOSS MINE RIOTING

Many Killed and Wounded in Clashes Between Strikers and Troops in Africa.
(By Associated Press to Coos Bay Times.)
JOHANNESBURG, So. Africa, July 5.—Bloody riots connected with the general strike of the gold miners of Rand, which caused the death of four civilians and wounding of 50 others in a fight yesterday between the strikers and troops, continued throughout the night. At midnight a mob looted a gunsmith store and the firing became general. Squads of cavalry with drawn swords patrolled the streets, frequently charging and scattering the groups of rioters, who constantly collected again to loot stores and destroy electric lights, the light from which helped the troops to discover the disturbers' whereabouts. The firing was incessant for hours after midnight in the riot area and further casualties resulted. There were repeated cavalry charges and the fusillades were accompanied by crashing of windows, shouting and wild confusion and rushing hither and thither of excited crowds.
The printers on the Transvaal Leader struck today and those on the other papers, it is expected, will also strike.

PARTY CAUCUS IS POSTPONED

Democrats Adjourn Until Monday Before Binding Senators to Tariff Measure.
(By Associated Press to Coos Bay Times.)
WASHINGTON, D. C., July 5.—Opposition to the rule binding all Democrats to support the tariff bill without change forced an adjournment of the Senate caucus today until Monday. Only 31 of the 51 Democratic Senators were present and several Senators objected to the caucus taking final action to bind members when so few were present.
Adjournment was taken to Monday afternoon, when an effort will be made to secure a full attendance of the Democrats. The caucus decided finally today that the bill shall go into effect immediately except those schedules where other effective rates are fixed.

BRYAN SEEKS WORLD PEACE

Will Begin Active Negotiations This Fall for Treaties With All Countries.
(By Associated Press to Coos Bay Times.)
WASHINGTON, D. C., July 5.—Secretary Bryan expects to begin this fall actual negotiations for concluding his proposed general peace pact with the other nations of the world. Because of the absence from Washington of most of the Ambassadors and Ministers, it is not possible now to do much more than supply to them outlines of the draft of the project for transmission to their own governments. Bryan expects that the 20 governments which already have promised to give the subject consideration will be increased to thirty, including all the powers.

KILLED IN CHICAGO

Mrs. Flossie Woodruff Killed by Italian Friends.
(By Associated Press to Coos Bay Times.)
CHICAGO, July 5.—A victim of the mysterious west side murder was identified today as Mrs. Flossie Woodruff, aged fifty years, wife of Harvey Woodruff, a restaurant cashier. Woodruff, his wife and a woman friend, has attended a caucus earlier in the evening and Woodruff had left the women to go to work. The women, instead of going home, went to a saloon, where they met an Italian. Mrs. Woodruff left the saloon with the Italian and her body was found in an alley with her throat cut.
