COOKING AND MATRIMONY.
AN OHIO Judge expresses the opinion that every woman applying for a license to marry should be compelled to submit samples of her cooking. In this case it would only be equitable were the party of the second part compelled to submit samples of the cooking he has been content with in his bachelor days. And it would do no harm to preserve both sets in the court house for future reference.

FOR OTHERS TO TRY.
AN ENGLISH aeronaut of considerable prominence is authority for the statement that it is quite possible for an aeroplane of the modern type to make the flight across the Atlantic ocean. He thinks that the feat will be accomplished within the next year and that it will occupy 24 hours of time.

FARMERS GET BENEFIT.
Marshfield Man Tells of Success of Co-operation in Denmark.
The farmers of Denmark get the entire benefit of prices, says K. Branner, of Copenhagen, Denmark, secretary of the newly-founded Danish Society on Coos Bay.

WITH THE TOAST AND THE TEA
GOOD EVENING.
Conquer your foe by force and you add to his enmity. Conquer by love and you reap no after-sorrow.—Buddha.

It is July.
When the scarlet cardinal tells
Her dream to the dragonfly,
And the lazy breeze makes a nest in the trees,
And murmurs a lullaby,
It is July.

When the tangled cobweb pulls
The cornflower's cap awry,
And the lilacs lean over the wall
To bow to the butterfly,
It is July.

When the heat like a mist-vell floats,
And poppies flame in the eye,
And the silver note in the streamlet's
Has softened almost to a sigh,
It is July.

When the hours are so still that time
Forgets them, and lets them lie
'Neath petals pink till the night stars
Wink
At the sunset in the sky,
It is July.

Will Ekblad wants to know if
That black eye that Bud Anderson
Got the other day could be called a
'Cross-eye.

THE QUIET OBSERVER SAYS:
A man once paid \$20 for a pair of glasses when all he needed was a dose of salts. The optic nerve is frequently blamed when the trouble is entirely alimentary.

THE QUIET OBSERVER SAYS:
The human race is divided into two classes, those who go ahead and do something, and those who sit and ask, 'Why wasn't it done the other way?'

The kick that's unkind,
Is the kick behind.
—W. W. Agitator.

TOMMY'S TIRED.
I'm tired of gilt, an' glare, an' glitter,
Ice cream, cake, an' so much fun,
Then more ice cream an' pink ice trimmin's.

DAILY RIDDLES.
