BORN.

COX—To Mr. and Mrs. A. C. Cox at their home on South Inlet, July 4, an 11-pound son. Mr. Cox is locomotive engineer for the Smith-Powers Logging Company and he says a Fourth of July that could bring results like this was sure some celebration. He is a son of Mr. and Mrs. W. B. Cox, of Marshfield.

MAGEE—To Captain and Mrs. W. A. Magee at their home in West Marshfield Saturday, July 12, a 10 1-2 pound son. Mother and son are doing nicely and the Master of the Nann Smith is happier than ever over the advent of the young Commodore.

GAMBLE—To Mr. and Mrs. Sherman Gamble at their home in North Bend, Saturday, July 12, an 8 1-2 pound daughter. Mother and child are doing nicely. Mr. Gamble, the father, is at Mercy hospital just recovering from a serious operation.

Will Leave—It is announced that W. B. Scott has resigned his position with the C. A. Smith Company and will leave Marshfield about August 1 for California.

Good Roads Meeting—A meeting of the Coos County Good Roads Association has been called for Marshfield July 18, to take up the bonding proposition and other matters.

Sells Lots—Senator L. S. Smith today sold two lots in Ferndale to Harry Alverson, who plans to build on them. The lots are No. 4 and 5 in Block 14, Sengstacken Addition and the price was \$850, J. W. Watt making the deal.

Postponed Picnic—O. M. Johnson announces that the postponed picnic of the Sons of Norway will be held on Coos River Sunday July 27. He is hoping that they will get good weather this time, rain having prevented the picnic being held on two previously announced dates.

To Build Houses—John Motley received word today from Mr. Conway of Ashland stating that he would be back on the Bay in a few days ready to start building operations. He has made arrangements for finances so that he can build on an average of one \$2800 house every two weeks.

Was Suicide—Capt. Erickson, of the Nann Smith, reports that the Chinaman who was lost on the last trip down was Lui Sing. He

says that he was crazy and committed suicide by jumping overboard. Lui Sing was formerly a cook in J. E. Schilling's hotel and later worked in some of the logging camps.

New Clerk—Jas. Trenor, who formerly conducted the Bay View Hotel here with his mother, has been appointed substitute clerk in the Marshfield Postoffice and will work while the regular clerks enjoy their vacations. Mrs. E. M. Eddy is now on a vacation and will spend it at home with occasional trips to nearby points.

Remains Here—The item about J. W. Chapman resigning his position in the electrical department of the C. A. Smith mill was an error. Mr. Chapman's name being confused with that of another employe who is retiring. The news that Mr. Chapman is to remain here will be most gratifying to his many friends.

Mail Man Here—C. P. Barnard, of Roseburg, who has the contract for carrying the U. S. mails into Coos County from Roseburg, arrived today on a trip of inspection, coming in over the Myrtle Point road. He plans to go out over the old Coos Bay wagon road. He says the canyon is still in bad shape and he doubts if it will permit good auto service much of the time this year. His contract for carrying the mails will expire in another year, so he is not worrying so much about matters now although he is still a firm advocate of better county roads.
