CURRY COUNTY TO VOTE BONDS

Commissioners Decide to Submit Good Roads Proposition to Voters This Fall.

PORT ORFORD, Or., July 21.—The Tribune says: "The road question took up much time of the county court, the bonding of the county to raise funds across Chetco river being the two leading features under discussion. Whether the proposed bridge should be of concrete or a combination structure with concrete piers, similar to the bridge across Pistol river, was gone over repeatedly and the court finally decided to leave the selection to the people at a special election to be held this fall when the bond issue will also be voted upon. The maximum price of a concrete bridge will be \$35,000 while it is estimated that a combination one can be built for \$15,000. The present plan is to raise the bridge money by a special levy, and leave the bond issue funds intact for actual road building.

The bond proposition that will be put up to the voters of the county will be to raise the maximum sum allowed by law—something between \$80,000 and \$90,000. Of this amount some \$20,000 will have to be used in paying off the county's indebtedness and 50 per cent of the remainder will be returned to the districts wherein it is raised to be expended upon the roads, while the balance will be at the disposal of the County Court. That body has already decided that in case the money is raised, \$5000 will go toward a road up Rogue river, and \$1000 each will be given to the Cedar Fork and Harv districts for improvements in their respective localities.

PORT ORFORD OFFERINGS.

Curry County Nws as Told by the Tribune.

S. S. Jeffries, the barber who has been located at Wedderburn for the past couple of months, passed up the coast yesterday on a visit to his family who are living on a homestead at Bridge, Coos county.

Owing to a slump in the market the whiggle mill at this place has closed down and will saw only for the local market until outside conditions change. In the meantime, the mill will continue cutting cedar lumber.

We understand that the expert who is going over the county books at Gold Beach has made the statement that he has found enough errors in the records so far to pay his wages if the county collects the bills. It is also intimated that more important disclosures are yet forthcoming.

Mrs. Parker, whose husband was drowned in Rogue River some months ago, was the first woman in Curry county to be granted a mother's pension, the late County Court allowing her \$10 a month.

Last week the two year old daughter of Mr. and Mrs. Ike Cox of Denmark, got her fingers mashed so badly in a cream separator that Dr. Pemberton found it necessary to amputate the large finger on the left hand.

A civil service examination will be held at Port Orford on Saturday, August 9, for the purpose of examining applicants for the position of postmaster at Gold Beach. The compensation of the postmaster at that place for the last fiscal year was \$516.

The county surveyor will be up this week to make a survey from John Fromm's old place on Brush creek to Hubbard's creek. If a practical route can be found along the coast, doing away with the high grade over the mountain, the road will probably be changed—especially so if the bond issue carries. The surveyor will also run a line from the Knapp hotel to the top of the hill near the graveyard, in an endeavor to get an easier grade going out of town.

Forester Milbury has received from the government \$975 to build a trail from Panther mountain to the head of Foster creek, north of Big Bend, where the trail will join with the one running down Rogue river. Several men from this place have gone out to work on the road, beginning next Monday. The government pays \$2.50 a day and furnishes the necessary tools, but the men have to board themselves. Seven or eight men will be used.

BRIEFS OF BANDON.

News of City-by-the-Sea as Told by The Recorder.

Editor M. A. Simpson of the Surf is again at his post of duty after an illness of a few days last week.

Mr. and Mrs. F. J. Feeney and son David arrived on the Fifield from a trip to San Francisco.

Mrs. F. T. Tuttle and Mrs. J. Tucker entertained the Thimble Club at cards at the J. H. Jones home on Ocean Drive, Saturday afternoon. Mrs. Herbert Brown won first prize, and Mrs. H. C. Dipple captured the second prize. An elegant birthday dinner was served by the hostess after which Mrs. H. Mullen presented each of the ladies with a beautiful salad bowl as a token of remembrance from the club.

Work is proceeding quite rapidly on J. E. Walstrom's new house on Pine street.

Frank Catterlin leaves for Gold Beach tomorrow with a new Ford which he sold to Harry Gauntlet. He will also take his E. M. F., and will be accompanied by Mrs. Catterlin, Fred Sturges and wife, Tom Hanley, Stewart Whitsett and Ed Catterlin.

Dr. Endicott and family, C. McJohnson and family of this city and J. S. Lyons and family of Marshfield, drove to Brewster Saturday in automobiles and had an outing over Sunday. They report fishing was fine.

Mrs. Thos. Sneddon and daughters, Misses Ruth and Elizabeth, of Diamondville, Wyoming, Mrs. St. Claire of Anaconda, Mont., and Mrs. T. C. Russell of Beaver Hill were guests of Mrs. J. T. Sullivan Friday and Saturday of last week.

MEREDITH IS NAMED.

Fine Deputy District Attorney for Curry County.

Attorney Meredith recently received appointment from Geo. M. Brown as deputy district attorney for Curry County. Mr. Meredith has already notified public carriers that the new law regulating the shipment of booze into dry territory must be strictly complied with, and promises to put a stop to, at least, some of the traffic in booze or learn the reason why he can't. This will be good news to the dry voting element of Curry, as there has been a great deal more evidence of booze in these parts lately than is creditable to a dry county.—Gold Beach Globe.

ROGUE RIVER SHOOTING.

Last Sunday some of the fishermen who are camped on the river bank while having a little celebration of their own, borrowed a .45 caliber Savage pistol owned by Moss Averill, and were shooting at a target. In handling the weapon, "Joe the Dago", accidentally let it go off, the ball taking effect in the thigh of Herman Hansen, another fisherman. Fortunately for Mr. Hansen, the ball missed the bone in his leg and only caused a flesh wound.—Gold Beach Globe.

NO MORE FALLING HAIR, NO MORE DANDRUFF

Nearly everyone has dandruff, and must reconcile themselves to the idea of becoming completely bald or resort to the use of Newbro's Herpicide.

The manufacturers have absolute faith in Herpicide to remove all traces of dandruff. So perfect is this belief that all dealers are instructed to sell the preparation with a "money back" agreement.

Such supreme confidence is the best evidence in the world of the merit of Herpicide. They know the result, hence the guarantee. It protects the purchaser.

Used as directed, Newbro's Herpicide eradicates dandruff and prevents the hair from coming out. It stops itching of the scalp, which is so disagreeable.

Newbro's Herpicide in 50c and \$1.00 sizes is guaranteed to do all that is claimed. If you are not satisfied your money will be refunded. Applications may be obtained at good barber shops, Lockhart-Parson's Drug Company, Special Agents.

You are employing, without cost to you, RESPONSIBLE AGENTS, whose services are those of experts. From the first day you begin a checking account, you have the use of some definite privileges.

You wish to pay a debt. The person to receive the money may be across the street, or several miles away. You may never have seen him.

But you write a check in his favor. You may carry it to him. If he is not there, you can leave it—no one can use it until the time, you can mail it to him properly endorsed it. If he is at a distance, you can mail it at the nearest box or give it to the carrier. When it comes back to you, it will carry an "iron-clad" receipt on the back.

You can pay out \$38.92 as easily as a single dollar—no change to wait for.

Having to remember what you paid out is done away with. You have a double record—your checks and your stubs.
