

PLAN FLIGHTS HERE SUNDAY

AVIATOR STEELE TO TAKE UP PASSENGERS FROM MARSHFIELD TOMORROW MORNING IN GORST & KING HYDROPLANE.

Aviator Steele with the Gorst & King aeroplane will give a number of exhibition flights with passengers at Marshfield. A number of Marshfield people have already arranged for flights but a number of others can be carried during the forenoon. The flights will begin at the Market street dock at 8 o'clock and will continue for several hours.

They charge from \$10 to \$25 for taking up passengers, the rates varying according to the heights and distance and being about \$1 per mile. Those who do not wish to go high can be accommodated by flights of from 10 to 25 feet above the water.

Capt. Edgan Simpson of North Bend has had the highest flight of any passenger taken up yet with the possible exception of Mrs. Paul Schillerstrom of North Bend. Last Tuesday he was taken up to a height of about 2000 feet.

Among the Marshfield men taken up this week were Claude Tucker, Harry McKeown, George Ferry, Will Goodrum and Jerry Kinney. Andrew McClelland of Pueblo, Colo., who was visiting his sister, Mrs. Alice Doll, here until Tuesday, was taken up and was elated. Mr. McClelland has traveled around the world and has ridden in almost every kind of a device on both land and sea but he said the hydroplane beats them all.

YOU KNOW HOW IT IS,

You know the man who never makes a blunder all through life. He's always right, nor once mistakes the thing he ought to do. He sees the end e'er he begins. And rises to success. He is the man who never sins. Because of carefulness.

He's got a lot of fine advice. For all, as you will find. Of course, it's worth a mighty price. According to his mind. We ought to listen with respect. And do what he may bid. Then with success we might connect. Just as our hero did.

Yet human nature oft is made imperfect as can be. And most frail mortals, I'm afraid, Are just a bit like me. Now, when I meet the perfect man I have been singing here. I'm moved to see how hard I can hit him behind the ear!

When a woman feels so happy that she wants to kiss somebody she often compromises by crying.

If a substitute is offered you for Foley Kidney Pills, it means a cheaper medicine is pressed upon you for the dealer's profit, not for yours. Foley Kidney Pills may cost the dealer more than a cheap substitute, but they give better results than any other kidney and bladder medicine. Ask for Foley Kidney Pills.

Mr. Horton of Texas, is visiting with his daughter, Mrs. John Henyon, and is so favorably impressed with this country that he is considering remaining here. Before Mr. Horton left his home in Texas hot winds had been scorching the young corn and the young garden truck.

MAKING BERRY JUICE.

The following simple and effective way of bottling berry juices was employed by Professor C. I. Lewis in the laboratory of the Oregon Agricultural College and is a sure way of saving loganberries at a good profit on the rainy day: Heat the berries to as nearly the boiling point as possible and strain out the juice. Mix juice with one-third its measure of sugar, heat as before, pour into sterilized soft drink bottles, shove the cork about two inches inside the neck of the bottle, and pour melted paraffine to the top. This process preserves the flavors and aromas and keeps the product indefinitely. Diluted with four times its measure of water it is a delicious drink.

JULY JOTTINGS.

By Lillian Lauferty
THE object of love may be eternal and unchanging—but the subject changes with great frequency.

The gloom of the wintered skies,
The hush of the dying year,
The sob of the wind as it dies,
When you send me away from you,
Dear.

The blue of the heavens above,
The summer-song of the year,
The zephyrs—low breathing of love,
When you bid me return to you,
Dear.

Men seldom feel called upon to give a girl the benefit of the doubt—except when in doubt about kissing her!

He stands and laughs at the hands that deny,
He knows that for him there is no nay;
He knocks where he will, with low and high—
Enters and sets his staff away.

A NOTRE DAME LADY'S APPEAL.

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia, write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home as thousands will testify—no change of climate being necessary. This simple discovery brushes out acid from the blood, loosens the stiffened joints, puts the heart and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box R, Notre Dame, Ind.

Definite Privileges

WHEN you bring money to the counter of this bank and receive in exchange a "checking account" pass book, you are doing more than placing your funds in safe keeping.

You are employing, without cost to you, RESPONSIBLE AGENTS, whose services are those of experts.

From the first day you begin a checking account, you have the use of some definite privileges.

You wish to pay a debt. The person to receive the money may be across the street, or several miles away. You may never have seen him.

But you write a check in his favor. You may carry it to him. If he is not there, you can leave it—no one can use it until the one it is payable to has properly endorsed it. If he is at a distance, you can mail it at the nearest box or give it to the carrier. When it comes back to you, it will carry an "iron-clad" receipt on the back.

You can pay out \$38.92 as easily as a single dollar—no change to wait for.

Having to remember what you paid out is done away with. You have a double record—your checks and your stubs.
